This bill would extend the license term for Game Bird Hunting Preserves from one to three years while tripling the license from \$35 to \$105 and \$60 to \$180 for preserves 320 acres or less and more than 320 acres respectively. There would be a shift in revenue from the current second and third year, to the year in which the license is purchased. There would be no overall fiscal impact on the Game and Fish Protection Fund when looked at over a three year period.
