This bill is tie-barred to HB 4409. HB 4538 would amend the section of the Natural Resources and Environmental Protection Act that creates the trail improvement fund, to compliment the changes that would be made by HB 4409. These two bills would increase the cost of a snowmobile trail permit sticker from \$10 to \$20 on October 1, 2001. This would increase the amount of revenue available for snowmobile trail improvement by \$9.50 per sticker. The total amount of new revenue in FY 2001-2002 could be as much as \$2,600,000. This would increase the total amount available for trails maintenance and improvement grants up to \$5,480,000 the 2002 winter season.
