This bill creates the juror compensation reimbursement fund and requires that the state treasurer deposit proceeds from the collection of driver license clearance fees that are collected by the local district courts.

There are no fiscal impacts to this bill. However, this is one of four bills tie-barred to provide for increasing juror fee reimbursements.

The other bills in this package include HB 4090 (increase in juror compensation), HB 4552 (increase drivers license clearance fees to pay for increase in juror compensation), and HB 4553 (method of distribution of revenue to reimburse the funding units).
