ADDENDUM TO SENATE FISCAL AGENCY ANALYSIS OF SB 562 DATED 11-19-01:

HOUSE COMMITTEE ACTION:

The members of the House Education Committee adopted a substitute which incorporates one amendment to the Senate-passed version of the bill. That amendment would prohibit the Department of Treasury from reporting any suspected irregularities on the Michigan Educational Assessment Program (MEAP) tests, to anyone who was not involved in the scoring or administration of the test, before notifying the school district or public school academy of the suspected irregularities, and allowing at least five business days for school officials to respond. Under the Senate-passed version of the bill, a school district would have 24 hours to respond.
