House Bill 6253

Sponsor: Rep. William Callahan

Committee: Transportation

Complete to 8-26-02

A SUMMARY OF HOUSE BILL 6253 AS INTRODUCED 8-13-02

House Bill 6253 would amend the Natural Resources and Environmental Protection Act to require that the owner of a vessel documented by the United States Coast Guard (or a federal agency that is the successor to the Coast Guard) comply with the watercraft registration requirements, including the payment of fees and the display of registration numbers. Currently such a vessel must comply with the registration requirements including the payment of fees, however the vessel is not required to display numbers.
