A SUMMARY OF HOUSE BILL 6274 AS INTRODUCED 9-17-02

The Michigan Vehicle Code requires that a driver of a vehicle in a mobile home park drive at a careful and prudent speed given the existing conditions, and specifies that it is prima facie unlawful for a driver to drive at a speed exceeding 15 miles an hour in a mobile home park. House Bill 6274 would extend the provision so that it would also apply in the common area of a residential condominium development.
