SENATE BILL 415 AS INTRODUCED

House Committee: Conservation and Outdoor Recreation

FLOOR ANALYSIS - 5/17/02

Analyst(s): Kirk Lindquist

SUMMARY

This bill would require the Maritime Center (Western Michigan University), the Michigan Department of Natural Resources, and the Michigan Department of History, Arts, and Libraries to establish a Michigan Heritage Water Trail Program. A plan to establish this program would be submitted to the Legislative standing committees on natural resources and the environment.

This bill would have an indeterminate fiscal impact on state government and Western Michigan University. No funds have been requested by affected departments, and no existing appropriation exists for this purpose. There would be no fiscal impact on local government.
