SENATE BILL 1094 AS PASSED BY THE SENATE

Sponsor: Sen. John J. H. Schwarz

Senate Committee: Transportation and Tourism

House Committee: Transportation

COMMITTEE ANALYSIS - 6/17/02

Analyst(s): Marilyn Peterson

SUMMARY

The bill would amend the Michigan Vehicle Code to make it a 90-day misdemeanor to move a vehicle on a highway if the vehicle has a front loading device or boom that extends beyond the front bumper and that boom is in a horizontal position to the driveway. The bill thus could increase local costs of incarceration or supervision, depending on the numbers of misdemeanor convictions obtained under the bill.
