HOUSE BILL 6042 SUBSTITUTE (H-1)

Sponsor: Rep. Cameron S. Brown

Committee: Criminal Justice

SUMMARY

House Bill 6041 would amend the Code of Criminal Procedure to allow a court to condition bail on the signing of an extradition waiver. **House Bill 6042** would amend the Uniform Criminal Extradition Act to explicitly allow a court to order a convicted offender who had been extradited to pay the costs of that extradition, and to make various changes to extradition procedures. The bills would have a minimal fiscal impact on the state and local units of government, the extent of which would depend on how they affected jail utilization and generated reimbursements for extradition costs.
