Senate Bill 76 (as introduced 2-1-01)
Sponsor: Senator Bill Bullard, Jr.
Committee: Judiciary

Date Completed: 11-9-01

CONTENT

The bill would amend the Revised Judicature Act (RJA) to authorize two additional circuit court judgeships in Oakland County. The Sixth Judicial Circuit, which consists of Oakland County, currently has 17 judges. Under the bill, subject to Section 550 of the RJA, the Sixth Circuit could have two more judges effective January 1, 2003.

(Section 550 provides that an additional circuit judgeship permitted by the RJA may not be authorized to be filled by election unless each county in the circuit approves the creation of that judgeship by a resolution adopted by the county board of commissioners. The county clerk must file a copy of the resolution with the State Court Administrator by 4:00 p.m. of the 16th Tuesday preceding the August primary for the election to fill the additional judgeship.)

FISCAL IMPACT

Based on the 2002 salary of a circuit judge, the State would incur the following annual costs for each new circuit judgeship:

Salary	\$139,919
Social Security/Medicare	7,293
Defined Contribution Retirement	<u>9,794</u>
Total	\$157,006

Local costs would depend on the cost of fringe benefits for judges provided by the county, support staff costs, and whether additional office courtroom facilities would be necessary.

According to the State Court Administrative Office, each circuit judge in Oakland County is provided with a secretary, a staff attorney, and two clerks. The Judicial Resource Recommendation also states that current court facilities are sufficient for two additional judges.
