Senate Bill 1100 (S-1as reported)

Committee: Appropriations

| | |
|--|----------------------|
| FY 2001-02 Year-to-Date Gross Appropriation | \$321,596,319 |
|--|----------------------|

Changes from FY 2001-02 Year-to-Date:

- | | |
|---|---------|
| <p>1. Community College Operations. The Governor recommends a continuation level of support for college operations. The Senate Subcommittee recommendation concurs in this recommendation, providing the same level of funding for each college in FY 2002-03 as was provided in FY 2001-02.</p> | 0 |
| <p>2. At Risk Student Success Program. This program is designed to address the needs of students who test at a level that would indicate that they will not be successful in college without additional preparatory assistance. The Governor recommends continuation level funding for the program, yet makes adjustments to individual college allocations as required by the existing distribution formula for the program. The Senate Subcommittee recommendation would concur in this recommendation.</p> | 0 |
| <p>3. Renaissance Zone Tax Reimbursement. This program reimburses colleges for property tax revenue lost from properties located within a Renaissance Zone development. The Governor has recommended an increase in funding to reflect anticipated program reimbursement costs for FY 2002-03. The Senate Subcommittee recommendation would concur in this recommendation.</p> | 136,000 |
| <p>4. Postsecondary Access Student Scholarship (PASS). This program is aimed at providing scholarships to eligible students equal to the difference between college tuition and all other financial aid. Students must be degree seeking, enrolled at least part-time, have qualifying MEAP scores, and be PELL-eligible. Program expenditures in FY 2001-02 are expected to be approximately \$1.5 million, and slightly higher in FY 2002-03. The Governor recommends continuation level funding. No program eligibility changes have been recommended. The Senate Subcommittee recommendation concurs in the Governor's recommendation.</p> | 0 |
| <p>5. Tuition Restraint Proposals. The Governor's recommendation contains no provisions for tuition restraint. In addition, the conditional appropriation based on the repeal of the tuition tax credit language has been eliminated. The Senate Subcommittee concurs in the recommendation.</p> | 0 |
| <p>6. Comparison to Governor's Recommendation. The Senate Subcommittee recommendation is identical to the Governor's recommendation.</p> | |
