1 THIS ACT ARE NOT SUBJECT TO THE REVISED MUNICIPAL FINANCE ACT,
2 2001 PA 34, MCL 141.2101 TO 141.2821.

3 (3) Bonds of the authority shall not be in any way a debt or
4 liability of the state and shall not create or constitute an
5 indebtedness, liability, or obligation of the state or constitute
6 a pledge of the faith and credit of the state, but all bonds
7 issued by the authority, unless funded or refunded by bonds
8 issued by the authority, shall be payable solely from revenues or
9 funds pledged or available for their payment from disposal site
10 revenues, or as otherwise provided by this act. The authority
11 shall not be personally liable for an indebtedness, liability, or
12 obligation under this section. Each bond issued under this sec-
13 tion shall contain on its face a statement to the effect that the
14 bond is not in any way a debt or liability of the state, that the
15 state is not obligated to pay principal or interest on the bond,
16 that neither the faith and credit nor the taxing power of the
17 state is pledged for the payment of principal of or interest on
18 the bond, and that the authority is obligated to pay the princi-
19 pal of and interest on the bond only from the disposal site
20 revenues.

21 (4) The authority may authorize and approve an insurance
22 contract, an agreement for a line of credit, a letter of credit,
23 a commitment to purchase bonds, an agreement to remarket bonds or
24 not to call for prior redemption of bonds, swaps, or interest

5 agreements, or purchase or sales agreements or commitments, or
6 agreements to provide security to assure timely payment of the
7 bonds.

8 (5) A pledge of the disposal site revenues and the funds and
9 accounts pledged by the resolution is valid and binding from the
10 time when the pledge is made. The disposal site revenues pledged
11 and thereafter received by the authority shall be subject to a
12 statutory lien of the pledge without physical delivery of the
13 revenues or money or further act, until payment in full of the
14 principal of and interest upon the bonds, unless the authorizing
15 resolution provides for an earlier discharge of the lien. The
16 lien of a pledge of the disposal site revenue is valid and bind-
17 ing against a party having a claim of any kind in tort, contract,
18 or otherwise against the authority, irrespective of whether that
19 party has notice of the pledge. Neither the resolution authoriz-
