15 FREEDOM OF INFORMATION ACT, 1976 PA 442, MCL 15.231 TO 15.246.

16 Sec. 5. (1) A permit shall be obtained before any work
17 affecting the exterior appearance of a resource is performed
18 within a historic district or, if required under subsection (4),
19 work affecting the interior arrangements of a resource is per-
20 formed within a historic district. The person, individual, part-
21 nership, firm, corporation, organization, institution, or agency
22 of government proposing to do that work shall file an application
23 for a permit with the inspector of buildings, the commission, or
24 other duly delegated authority. If the inspector of buildings or
25 other authority receives the application, the application shall
26 be immediately referred together with all required supporting
27 materials that make the application complete to the commission.

1 A permit shall not be issued and proposed work shall not proceed
2 until the commission has acted on the application by issuing a
3 certificate of appropriateness or a notice to proceed as pre-
4 scribed in this act. A local unit may charge a reasonable fee to
5 process a permit application.

6 (2) An applicant aggrieved by a decision of a commission
7 concerning a permit application may file an appeal with the state

9 commission within the department. ~~of state.~~ The appeal shall be
10 filed within 60 days after the decision is furnished to the
11 applicant. The appellant may submit all or part of the
12 appellant's evidence and arguments in written form. The review
13 board shall consider an appeal at its first regularly scheduled
14 meeting after receiving the appeal, but may not charge a fee for
15 considering an appeal. The review board may affirm, modify, or
16 set aside a commission's decision and may order a commission to
17 issue a certificate of appropriateness or a notice to proceed. A
18 permit applicant aggrieved by the decision of the state historic
19 preservation review board may appeal the decision to the circuit
20 court having jurisdiction over the historic district commission
21 whose decision was appealed to the state historic preservation
22 review board.

23 (3) In reviewing plans, the commission shall follow the
24 ~~U.S.~~ UNITED STATES secretary of the interior's standards for
25 rehabilitation and guidelines for rehabilitating historic build-
26 ings, as set forth in 36 C.F.R. part 67. Design review standards
27 and guidelines that address special design characteristics of

1 historic districts administered by the commission may be followed
2 if they are equivalent in guidance to the secretary of interior's
3 standards and guidelines and are established or approved by the
4 ~~bureau~~ DEPARTMENT. The commission shall also consider all of
5 the following:

6 (a) The historic or architectural value and significance of
7 the resource and its relationship to the historic value of the
8 surrounding area.

9 (b) The relationship of any architectural features of the
10 resource to the rest of the resource and to the surrounding
11 area.

12 (c) The general compatibility of the design, arrangement,
13 texture, and materials proposed to be used.

14 (d) Other factors, such as aesthetic value, that the commis-
15 sion finds relevant.

16 (4) The commission shall review and act upon only exterior
17 features of a resource and shall not review and act upon interior
18 arrangements unless specifically authorized to do so by the local
19 legislative body or unless interior work will cause visible
20 change to the exterior of the resource. The commission shall not
21 disapprove an application due to considerations not prescribed in
22 subsection (3).

23 (5) If an application is for work that will adversely affect
24 the exterior of a resource the commission considers valuable to
25 the local unit, state, or nation, and the commission determines
26 that the alteration or loss of that resource will adversely
27 affect the public purpose of the local unit, state, or nation,

1 the commission shall attempt to establish with the owner of the
2 resource an economically feasible plan for preservation of the
3 resource.

4 (6) Work within a historic district shall be permitted
5 through the issuance of a notice to proceed by the commission if
6 any of the following conditions prevail and if the proposed work
7 can be demonstrated by a finding of the commission to be neces-
8 sary to substantially improve or correct any of the following
9 conditions:

10 (a) The resource constitutes a hazard to the safety of the
11 public or to the structure's occupants.

12 (b) The resource is a deterrent to a major improvement pro-
13 gram that will be of substantial benefit to the community and the
14 applicant proposing the work has obtained all necessary planning
15 and zoning approvals, financing, and environmental clearances.

16 (c) Retaining the resource will cause undue financial hard-
17 ship to the owner when a governmental action, an act of God, or
18 other events beyond the owner's control created the hardship, and
19 all feasible alternatives to eliminate the financial hardship,
20 which may include offering the resource for sale at its fair
21 market value or moving the resource to a vacant site within the
22 historic district, have been attempted and exhausted by the
23 owner.

24 (d) Retaining the resource is not in the interest of the
25 majority of the community.

26 (7) The business that the commission may perform shall be
27 conducted at a public meeting of the commission held in

1 compliance with the open meetings act, ~~Act No. 267 of the Public~~
2 ~~Acts of 1976, as amended, being sections 15.261 to 15.275 of the~~
3 ~~Michigan Compiled Laws~~ 1976 PA 267, MCL 15.261 TO 15.275.

4 Public notice of the time, date, and place of the meeting shall
5 be given in the manner required by ~~Act No. 267 of the Public~~
6 ~~Acts of 1976, as amended~~ THE OPEN MEETINGS ACT, 1976 PA 267,
7 MCL 15.261 TO 15.275. A meeting agenda shall be part of the
8 notice and shall include a listing of each permit application to
9 be reviewed or considered by the commission.

10 (8) The commission shall keep a record of its resolutions,
11 proceedings, and actions. A writing prepared, owned, used, in
12 the possession of, or retained by the commission in the per-
13 formance of an official function shall be made available to the
14 public in compliance with the freedom of information act, ~~Act~~
15 ~~No. 442 of the Public Acts of 1976, as amended, being~~
16 ~~sections 15.231 to 15.246 of the Michigan Compiled Laws~~ 1976
17 PA 442, MCL 15.231 TO 15.246.

18 (9) The commission shall adopt its own rules of procedure
19 and shall adopt design review standards and guidelines for
20 resource treatment to carry out its duties under this act.

21 (10) The commission may delegate the issuance of certifi-
22 cates of appropriateness for specified minor classes of work to
23 its staff, to the inspector of buildings, or to another delegated
24 authority. The commission shall provide to the delegated author-
25 ity specific written standards for issuing certificates of appro-
26 priateness under this subsection. On at least a quarterly basis,
27 the commission shall review the certificates of appropriateness,

1 if any, issued for work by its staff, the inspector, or another
2 authority to determine whether or not the delegated responsibili-
3 ties should be continued.

4 (11) Upon a finding by a commission that a historic resource
5 within a historic district or a proposed historic district
6 subject to its review and approval is threatened with demolition
7 by neglect, the commission may do either of the following:

8 (a) Require the owner of the resource to repair all condi-
9 tions contributing to demolition by neglect.

10 (b) If the owner does not make repairs within a reasonable
11 time, the commission or its agents may enter the property and
12 make such repairs as are necessary to prevent demolition by
13 neglect. The costs of the work shall be charged to the owner,
14 and may be levied by the local unit as a special assessment
15 against the property. The commission or its agents may enter the
16 property for purposes of this section upon obtaining an order
17 from the circuit court.

18 (12) When work has been done upon a resource without a
19 permit, and the commission finds that the work does not qualify
20 for a certificate of appropriateness, the commission may require
21 an owner to restore the resource to the condition the resource
22 was in before the inappropriate work or to modify the work so
23 that it qualifies for a certificate of appropriateness. If the
24 owner does not comply with the restoration or modification
25 requirement within a reasonable time, the commission may seek an
26 order from the circuit court to require the owner to restore the
27 resource to its former condition or to modify the work so that it

1 qualifies for a certificate of appropriateness. If the owner
2 does not comply or cannot comply with the order of the court, the
3 commission or its agents may enter the property and conduct work
4 necessary to restore the resource to its former condition or
5 modify the work so that it qualifies for a certificate of appro-
6 priateness in accordance with the court's order. The costs of
7 the work shall be charged to the owner, and may be levied by the
8 local unit as a special assessment against the property. When
9 acting pursuant to an order of the circuit court, a commission or
10 its agents may enter a property for purposes of this section.

11 Sec. 9. (1) The commission shall file certificates of
12 appropriateness, notices to proceed, and denials of applications
13 for permits with the inspector of buildings or other delegated
14 authority. A permit shall not be issued until the commission has
15 acted as prescribed by this act. If a permit application is
16 denied, the decision shall be binding on the inspector or other
17 authority. A denial shall be accompanied with a written explana-
18 tion by the commission of the reasons for denial and, if appro-
19 priate, a notice that an application may be resubmitted for com-
20 mission review when suggested changes have been made. The denial
21 shall also include notification of the applicant's rights of
22 appeal to the state historic preservation review board and to the
23 circuit court. The failure of the commission to act within 60
24 calendar days after the date a complete application is filed with
25 the commission, unless an extension is agreed upon in writing by
26 the applicant and the commission, shall be considered to
27 constitute approval.

1 (2) Local public officials and employees shall provide
2 information and records to committees, commissions, and standing
3 committees, and shall meet with those bodies upon request to
4 assist with their activities.

5 (3) The ~~bureau~~ DEPARTMENT shall cooperate with and assist
6 local units, committees, commissions, and standing committees in
7 carrying out the purposes of this act and may establish or
8 approve standards, guidelines, and procedures that encourage uni-
9 form administration of this act in this state but that are not
10 legally binding on any individual or other legal entity.

11 Enacting section 1. This amendatory act does not take
12 effect unless Senate Bill No. _____ or House Bill No. 4941
13 (request no. 02873'01) of the 91st Legislature is enacted into
14 law.
