Sec. 208. Unless otherwise specified, the institutions of higher education shall use the Internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement, or it may include placement of reports on an Internet or Intranet site. Quarterly, the institutions of higher education shall provide to the appropriations subcommittee members, state budget office, and the fiscal agencies an electronic and paper copy listing of the reports submitted during the most recent 3-month period along with the Internet or Intranet site of each report, if any.

Sec. 209. Funds appropriated in part 1 shall not be used for the purchase of foreign goods or services, or both, if competitively priced and of comparable quality American goods and services, or both, are available. Not later than May 1, 2002, each university shall have available upon request information on efforts to comply with this section.

Sec. 210. (1) The funds appropriated in part 1 to state institutions of higher education shall be paid out of the state treasury and distributed by the state treasurer to the respective institutions in 11 equal monthly installments on the sixteenth of each month, or the next succeeding business day, beginning with October 16, 2001. (2) The amount distributed to an institution shall not exceed the net appropriations plus additional distributions specifically authorized by this act.

(3) All universities shall submit higher education institutional data inventory (HEIDI) data and associated financial and program information requested by and in a manner prescribed by the state budget director. Sec. 211. Funds received by the state from the federal government or private sources for the use of a college or university are appropriated for the purposes for which they are provided. The acceptance and use of federal or private funds does not place an obligation upon the legislature to continue the purposes for which the funds are made available.

Sec. 213. A state institution of higher education that receives funds under this act shall furnish all program and financial information that is required by and in a manner prescribed by the state budget director or the house or senate appropriations committee.

Sec. 214. (1) If section 274 of the income tax act of 1967, 1967 PA 281, MCL 206.274, is repealed, \$27,533,553.00 is appropriated and allocated as determined by the legislature for the fiscal year ending September 30, 2002 for the public universities and the grant for general degree graduates. Sec. 216. By February 15, 2002, the department of treasury shall provide the state budget director, the subcommittees on higher education of the house and senate appropriations committees, and the senate and house fiscal agencies with an annual report on restricted fund balances, projected revenues, and expenditures for the fiscal years ending September 30, 2001 and September 30, 2002.

GRANTS AND FINANCIAL AID

Sec. 301. (1) Payments of the amounts included in part 1 for the state competitive scholarship program shall be distributed pursuant to 1964 PA 208, MCL 390.971 to 390.981.

(2) The Michigan higher education assistance authority shall implement a proportional competitive scholarship maximum award level for recipients enrolled less than full-time in a given semester or term.

(3) If a student who receives an award under this section has his or her tuition and fees paid under the Michigan educational trust program, pursuant to the Michigan education trust act, 1986 PA 316, MCL 390.1421 to 390.1444, and still has financial need, the funds awarded under this section may be used for educational expenses other than tuition and fees.

(4) If the Michigan higher education assistance authority increases the maximum award per eligible student from that provided in the previous fiscal year, it shall not have the effect of reducing the number of eligible students receiving awards in relation to the total number of eligible applicants. Any increase in the maximum grant shall be proportional for all eligible students receiving awards.

Sec. 302. (1) The amounts appropriated in part 1 for the state tuition grant program shall be distributed pursuant to 1966 PA 313, MCL 390.991 to 390.997a.

(3) The Michigan higher education assistance authority shall determine an actual maximum tuition grant award per student that ensures that the aggregate payments for the tuition grant program do not exceed the appropriation contained in part 1 for the state tuition grant program. By December 15, 2001, and again by February 1, 2002, the authority shall analyze the status of award commitments, shall make any necessary adjustments, and shall confirm that those award commitments will not exceed the appropriation contained in part 1 for the tuition grant program. The determination and actions shall be reported to the state budget director and the house and senate fiscal agencies no later than February 15, 2002. If award adjustments are necessary, the students shall be notified of the adjustment by the third Monday in February.

(4) Any unexpended and unencumbered funds remaining on September 30, 2002 from the amounts appropriated in part 1 for the tuition grant program shall not lapse on September 30, 2002, but shall continue to be available for expenditure for tuition grants provided in the 2002-2003 fiscal year. The use of these unexpended fiscal year 2001-2002 funds shall terminate at the end of the 2002-2003 fiscal year.

(5) The Michigan higher education assistance authority shall continue a proportional tuition grant maximum award level for recipients enrolled less than full-time in a given semester or term.

(6) If the Michigan higher education assistance authority increases the maximum award per eligible student from that provided in the previous fiscal year, it shall not have the effect of reducing the number of eligible students receiving awards in relation to the total number of eligible applicants. Any increase in the maximum grant shall be proportional for all eligible students receiving awards for fiscal year 2001-2002.

(7) All Ferris State University students enrolled at Kendall College of Art and Design prior to January 1, 2001 who were qualified for the state tuition grant shall continue to receive the dollar amount of the state tuition grant for which they were eligible until they graduate or are no longer enrolled at Ferris State University. For the 2001-2002 academic year only, any first year, transfer, or readmitted student enrolled at Ferris State University's Kendall College of Art and Design who has received notification by July 1, 2001 from the Michigan higher education assistance authority that he or she is eligible for a state tuition grant award shall receive an award for academic year 2001-2002 only.

An effort should be made by each institution participating in the Michigan work-study program to assure that not less than 10% of those undergraduate, graduate, and professional students eligible to participate in the program are placed with for-profit employers no later than December 31 of each year for which funding is provided under this act.

(2) The Michigan higher education assistance authority shall allocate funds to institutions eligible for work-study money based upon each institution's specific Pell grant index and each institution's utilization rate of work-study funds for the 3 most recent years for which statistics are available.

(3) The Michigan higher education assistance authority shall set aside not more than 5% of the total work-study appropriation to process requests from participating institutions for allocation adjustments. Allocation adjustments shall be based on criteria set by the authority prior to making the allocations under subsection (2).

Sec. 304. (1) Payments of the amounts included in part 1 for the general degree reimbursement program established under 1974 PA 75, MCL 390.1021 to 390.1027, shall be made for all degrees identified in section 1(1) of 1974 PA 75, MCL 390.1021, except doctor of dental surgery, doctor of dental medicine, juris doctor law, and allied health degrees.

Sec. 306. Funds disbursed through the degree reimbursement programs shall not be used by any recipient institution for theology or divinity programs.

Sec. 307. The auditor general may audit selected enrollments, degrees, and awards at selected independent colleges and universities receiving awards administered by the department of treasury. The audits shall be based upon definitions and requirements established by the Michigan higher education assistance authority, the state budget director, and the senate and house fiscal agencies. The auditor general shall accept the Free Application for Federal Student Aid (FAFSA) form as the standard of residency documentation. The auditor general shall submit a report of findings to the senate and house appropriations committees and state budget director by May 1, 2002.

Sec. 309. The Michigan higher education assistance authority shall determine the needs analysis criteria for students to qualify for the competitive scholarship program and tuition grant program. To be consistent with federal requirements, student wages may be taken into consideration when determining the amount of the award.

Sec. 310. (8) The department shall work closely with participating institutions to develop an application and eligibility determination process that will provide the highest level of participation and ensure that all requirements of the program are met.

(10) Each institution shall ensure that all known available restricted grants for tuition and fees are used prior to billing the tuition incentive program for any portion of a student's tuition and fees.

(11) The department shall ensure that the tuition incentive program is well publicized and that potentially eligible Medicaid clients are provided information on the program. The department shall provide the necessary funding and staff to fully operate the program.
