The People of the State of Michigan enact:

Sec. 1139. (1) Except as otherwise provided in subsection (2), the school officials of a public high school shall provide at least the same access to the high school campus and to pupil directory information of the pupils enrolled in the high school as is provided to other entities offering educational or employment opportunities to official recruiting representatives of all of the following for the purpose of informing pupils of educational and career opportunities available in the following:

- (a) The armed forces of the United States.
- (b) The service academies of the armed forces of the United States.

(2) If a high school pupil or the parent or legal guardian of a high school pupil submits a signed, written request to school officials of a public high school that indicates that the pupil or the parent or legal guardian does not want the pupil's directory information to be accessible to official recruiting representatives under subsection (1), then the school officials of the high school shall not allow that access to the pupil's directory information. The governing board of the school district, intermediate school district, or public school academy operating the high school shall ensure that pupils and parents and guardians are notified of the provisions of this subsection.

(3) The school officials of a public high school shall provide any public notice required to be given under section 444 of subpart 4 of part C of the general education provisions act, title IV of Public Law 90-247, 20 U.S.C. 1232g, commonly referred to as the family educational rights and privacy act of 1974, in order to comply with this section and federal law.

(4) The school officials of a public high school may require an official recruiting representative described in subsection (1) to pay a fee, not to exceed the actual costs incurred by the high school, for copying and mailing pupil directory information under this section.

(5) An official recruiting representative who receives pupil directory information under this section shall use that information only to provide information to pupils concerning educational and career opportunities available in the armed forces of the United States or the service academies of the armed forces of the United States. An official recruiting representative who receives pupil directory information under this section shall not release that information to a person who is not involved in recruiting pupils for the armed forces of the United States or the service academies of the armed forces of the United States.

(6) Public schools are encouraged to assign 1 or more school employees to notify male pupils age 18 or older that they are required to register for the selective service.

(7) The armed forces of the United States are encouraged to work with each other to develop and use a standardized form for requesting access to a high school campus and for requesting a time for the access.
