The People of the State of Michigan enact:

Sec. 687. (1) An intermediate school board in which an area vocational-technical education program is established, by a majority vote of the intermediate school electors voting on the question at an annual or at a special election called for that purpose, may borrow money and issue bonds of the intermediate school district subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, to defray all or part of the cost of purchasing, erecting, completing, remodeling, improving, furnishing, refurbishing, equipping, or reequipping area vocational-technical buildings and other facilities, or parts of buildings and other facilities or additions to buildings and other facilities; acquiring, preparing, developing, or improving sites, or parts of sites or additions to sites, for area vocational-technical buildings and other facilities; refunding all or part of existing bonded indebtedness; or accomplishing a combination of the foregoing purposes. An intermediate school district shall not issue bonds under this part for an amount greater than 1.5% of the total assessed valuation of the intermediate school district.

(2) A bond qualified under section 16 of article IX of the state constitution of 1963 and implementing legislation shall not be included for purposes of calculating the foregoing 1.5% limitation.

(3) An intermediate school board may submit a proposal to issue bonds of the intermediate school district, authorized under this section, to the intermediate school electors at the same election at which the intermediate school electors vote on the establishment of an area vocational-technical education program. If these questions are presented to the school electors at the same election, the board shall include the bond proposal in the 60-day notice given the boards of constituent districts. The establishment of an area vocational-technical education program shall become effective if approved by a majority of the intermediate school electors voting on the question. The authority to issue bonds is effective only if a majority of the intermediate school electors approve both the establishment of the area vocational-technical education program and the issuance of bonds.

(4) The ballot used in submitting the question of borrowing money and issuing bonds under this section shall be in substantially the following form:
