AN ACT to amend 1976 PA 451, entitled "An act to provide a system of public instruction and elementary and secondary schools; to revise, consolidate, and clarify the laws relating to elementary and secondary education; to provide for the organization, regulation, and maintenance of schools, school districts, public school academies, and intermediate school districts; to prescribe rights, powers, duties, and privileges of schools, school districts, public school academies, and intermediate school districts; to provide for the regulation of school teachers and certain other school employees; to provide for school elections and to prescribe powers and duties with respect thereto; to provide for the levy and collection of taxes; to provide for the borrowing of money and issuance of bonds and other evidences of indebtedness; to establish a fund and provide for expenditures from that fund; to provide for and prescribe the powers and duties of certain state departments, the state board of education, and certain other boards and officials; to provide for licensure of boarding schools; to prescribe penalties; and to repeal acts and parts of acts," by amending section 1351 (MCL 380.1351), as amended by 1997 PA 152.

The People of the State of Michigan enact:

Sec. 1351. (1) Until May 1, 1994, a school district may borrow money and issue bonds of the district to defray all or a part of the cost of purchasing, erecting, completing, remodeling, improving, furnishing, refurnishing, equipping, or reequipping school buildings, including library buildings, structures, athletic fields, playgrounds, or other facilities, or parts of or additions to those facilities; acquiring, preparing, developing, or improving sites, or parts of or additions to sites, for school buildings, including library buildings, structures, athletic fields, playgrounds, or other facilities; purchasing school buses; participating in the administrative costs of an urban renewal program through which the school district desires to acquire a site or addition to a site for school purposes; refunding all or part of existing bonded indebtedness; or accomplishing a combination of the purposes set forth in this subsection. In addition, until December 31, 1991 a school district may borrow money and issue bonds to defray all or part of the cost of purchasing textbooks.

(2) Except as otherwise provided in this subsection, a school district shall not borrow money or issue bonds for a sum that, together with the total outstanding bonded indebtedness of the district, exceeds 5% of the state equalized valuation of the taxable property within the district, unless the proposition of borrowing the money or issuing the bonds is submitted to a vote of the school electors of the district at an annual or special election and approved by the majority of the school electors voting on the question. Regardless of the amount of outstanding bonded indebtedness of the school district, a vote of the school electors is not necessary in order to issue bonds for a purpose described in section 1274a or to issue bonds under section 11i of the state school aid act of 1979, 1979 PA 94, MCL 388.1611i. For the purposes of this subsection, bonds issued under section 11i of the state school aid act of 1979, 1979 PA 94, MCL 388.1611i, shall not be included in computing the total outstanding bonded indebtedness of a school district.

(3) A school district shall not issue bonds under this part for an amount greater than 15% of the total assessed valuation of the district, except as provided in section 1356. A bond qualified under section 16 of article IX of the state

constitution of 1963 and implementing legislation shall not be included for purposes of calculating the 15% limitation. Bonds issued under this part are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, except that bonds issued for a purpose described in section 1274a may be sold at a public or publicly negotiated sale at the time or times, at the price or prices, and at a discount as determined by the board of the school district.

(4) Bonds or notes issued by a school district or intermediate school district under this part or section 442, 629, or 1274a shall be full faith and credit tax limited obligations of the district pledging the general funds, voted and allocated tax levies, or any other money available for such a purpose and shall not allow or provide for the levy of additional millage for payment of the bond or note without a vote of the qualified electorate of the district.

This act is ordered to take immediate effect.
