Introduced by Rep. Waters

ENROLLED HOUSE BILL No. 5419

AN ACT to amend 1979 PA 94, entitled "An act to make appropriations to aid in the support of the public schools and the intermediate school districts of the state; to make appropriations for certain other purposes relating to education; to provide for the disbursement of the appropriations; to supplement the school aid fund by the levy and collection of certain taxes; to authorize the issuance of certain bonds and provide for the security of those bonds; to prescribe the powers and duties of certain state departments, the state board of education, and certain other boards and officials; to prescribe penalties; and to repeal acts and parts of acts," by amending section 17a (MCL 388.1617a), as amended by 1996 PA 300.

The People of the State of Michigan enact:

Sec. 17a. (1) The department may withhold all or part of any payment that a district or intermediate district is entitled to receive under this act to the extent the withholdings are a component part of a plan, developed and implemented pursuant to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, or other statutory authority, for financing an outstanding obligation upon which the district or intermediate district defaulted. Amounts withheld shall be used to pay, on behalf of the district or intermediate district, unpaid amounts or subsequently due amounts, or both, of principal and interest on the outstanding obligation upon which the district or intermediate district defaulted.

(2) Under an agreement entered into by a district or intermediate district assigning all or a portion of the payment that it is eligible to receive under this act to the Michigan municipal bond authority or to the trustee of a pooled arrangement or pledging the amount for payment of an obligation it incurred with the Michigan municipal bond authority or with the trustee of a pooled arrangement, the state treasurer shall transmit to the Michigan municipal bond authority or a trustee designated by the authority or to the trustee of a pooled arrangement the amount of the payment that is assigned or pledged under the agreement. Notwithstanding the payment dates prescribed by this act for distributions under this act, the state treasurer may advance all or part of a payment that is dedicated for distribution or for which the appropriation authorizing the payment has been made if and to the extent, under the terms of an agreement entered into by a district or intermediate district and the Michigan municipal bond authority, the payment that the district or intermediate district is eligible to receive has been assigned to or pledged for payment of an obligation it incurred with the Michigan municipal bond authority. This subsection does not require the state to make an appropriation to any school district or intermediate school district and shall not be construed as creating an indebtedness of the state, and any agreement made pursuant to this subsection shall contain a statement to that effect. As used in this subsection, "trustee of a pooled arrangement" means the trustee of a trust approved by the state treasurer and, subject to the conditions and requirements of that approval, established for the purpose of offering for sale, as part of a pooled arrangement, certificates representing undivided interests in notes issued by districts or intermediate districts under section 1225 of the revised school code, 1976 PA 451, MCL 380.1225. If a trustee applies to

the state treasurer for approval of a trust for the purposes of this subsection, the state treasurer shall approve or disapprove the trust within 10 days after receipt of the application.

This act is ordered to take immediate effect.

Clerk of the House of Representatives.

Secretary of the Senate.
