AN ACT to amend 1994 PA 451, entitled "An act to protect the environment and natural resources of the state; to codify, revise, consolidate, and classify laws relating to the environment and natural resources of the state; to regulate the discharge of certain substances into the environment; to regulate the use of certain lands, waters, and other natural resources of the state; to prescribe the powers and duties of certain state and local agencies and officials; to provide for certain charges, fees, and assessments; to provide certain appropriations; to prescribe penalties and provide remedies; to repeal certain parts of this act on a specific date; and to repeal certain acts and parts of acts," by amending section 43532 (MCL 324.43532), as amended by 1996 PA 585.

The People of the State of Michigan enact:

Sec. 43532. (1) A person 17 years of age or older shall not take aquatic species, except aquatic insects, in the waters over which this state has jurisdiction without a license. The fee for a resident restricted fishing license is \$15.00. The fee for a nonresident restricted fishing license is \$34.00.

(2) The restricted fishing license entitles the licensee to take aquatic species as prescribed by law other than trout or salmon.

(3) A person under 17 years of age may take aquatic species in the waters over which this state has jurisdiction without a license. However, a person under 17 years of age may obtain an all-species fishing license. The fee for a resident or nonresident who is under 17 years of age, for an all-species fishing license is \$2.00. The department shall not sell or vendor the list of licensees under this subsection.

(4) The fee for a resident all-species fishing license is \$28.00. The fee for a nonresident all-species fishing license is \$42.00.

(5) The all-species fishing license entitles the licensee to take all species of aquatic species as prescribed by law.

(6) A person to whom a valid restricted fishing license has been issued may return the restricted license to the department or its authorized agent and receive an all-species fishing license by paying a fee equal to the difference in cost between the all-species fishing license and the restricted fishing license for which that person is eligible.

This act is ordered to take immediate effect.
