

Act No. 205
Public Acts of 2002
Approved by the Governor
April 26, 2002
Filed with the Secretary of State
April 29, 2002
EFFECTIVE DATE: April 29, 2002

**STATE OF MICHIGAN
91ST LEGISLATURE
REGULAR SESSION OF 2002**

Introduced by Rep. Kuipers

ENROLLED HOUSE BILL No. 5182

AN ACT to amend 1956 PA 217, entitled "An act to safeguard persons and property; to provide for licensing and regulation of electricians and electrical contractors concerning the construction, alteration, installation of electrical wiring and equipment and for the inspection of electrical wiring; to create an electrical administrative board; to create certain committees for certain purposes; to provide certain powers and duties for certain departments; to provide for the assessment of certain fees and for the promulgation of rules; and to prescribe penalties for violations of this act," by amending section 7 (MCL 338.887), as amended by 1992 PA 130.

The People of the State of Michigan enact:

Sec. 7. (1) Except as otherwise provided in this act or in subsection (3), a person, firm, or corporation shall not engage in the business of electrical contracting unless the person, firm, or corporation has received from the board or from the appropriate municipality an electrical contractor's license.

(2) Except as otherwise provided in this act or in subsection (3), a person, other than a person licensed under this act and employed by and working under the direction of a holder of an electrical contractor's license, shall not in any manner undertake to execute any electrical wiring.

(3) A license under this act is not required in the execution of the following classes of work:

(a) Minor repair work, as defined in section 1.

(b) The installation, alteration, repairing, rebuilding, or remodeling of elevators, dumbwaiters, escalators, or man lifts performed under a permit issued by an elevator inspection agency of the state of Michigan or political subdivision of the state of Michigan.

(c) The installation, alteration, or repair of electrical equipment and its associated wiring installed on the premises of consumers or subscribers by or for electrical energy supply or communication agencies for use by such agencies in the generation, transmission, distribution, or metering of electrical energy or for the operation of signals or transmission of intelligence.

(d) The installation, alteration, or repair of electric wiring for the generation and primary distribution of electric current, or the secondary distribution system up to and including the meters, where such work is an integral part of the system owned and operated by an electric light and power utility in rendering its duly authorized service.

(e) Any work involved in the manufacture of electric equipment, including the testing and repairing of such manufactured equipment.

(f) The installation, alteration, or repair of equipment and its associated wiring for the generation or distribution of electric energy for the operation of signals or transmission of intelligence where such work is in connection with a communication system owned or operated by a telephone or telegraph company in rendering its authorized service as a telephone or telegraph company.

(g) Any installation, alteration, or repair of electrical equipment by a homeowner in a single family home and accompanying outbuildings owned and occupied or to be occupied by the person performing the installation, alteration, or repair of electrical equipment.

(h) Any work involved in the use, maintenance, operation, dismantling, or reassembling of motion picture and theatrical equipment used in any building with approved facilities for entertainment or educational use and which has the necessary permanent wiring and floor and wall receptacle outlets designed for the proper and safe use of such theatrical equipment, but not including any permanent wiring.

(i) Work performed by mechanical contractors licensed in classifications listed in section 6(3)(a), (b), (d), (e), and (f) of the Forbes mechanical contractors act, 1984 PA 192, MCL 338.976, plumbing contractors licensed under 1929 PA 266, MCL 338.901 to 338.917, and employees of persons licensed under those acts while performing maintenance, service, repair, replacement, alteration, modification, reconstruction, or upgrading of control wiring circuits and electrical component parts within existing mechanical systems defined in the mechanical and plumbing codes provided for in the Stille-DeRossett-Hale single state construction code act, 1972 PA 230, MCL 125.1501 to 125.1531, including, but not limited to, energy management systems, relays and controls on boilers, water heaters, furnaces, air conditioning compressors and condensers, fan controls, thermostats and sensors, and all interconnecting wiring associated with the mechanical systems in buildings which are on the load side of the unit disconnect, which is located on or immediately adjacent to the equipment, except for life safety systems wiring.

(j) Electrical wiring associated with the installation, removal, alteration, or repair of a water well pump on a single family dwelling to the first point of attachment in the house from the well, by a registered pump installer under part 127 of the public health code, 1978 PA 368, MCL 333.12701 to 333.12771.

(k) The installation, maintenance, or servicing of burglar alarm systems within a building or structure.

(l) The installation, maintenance, or servicing of listed residential and commercial lawn irrigation equipment, except any permanent wired connections exceeding 30 volts.

(m) The installation, maintenance, or servicing of listed landscape lighting systems and equipment, except any permanent wired connections exceeding 30 volts.

(n) The installation, alteration, maintenance, or repair of electric signs and related wiring by an unlicensed individual under the direct supervision of a licensed sign specialist except that the ratio of unlicensed individuals engaged in this activity shall not exceed 2 unlicensed individuals to 1 licensed sign specialist. An enforcing agency shall enforce this ratio on a jobsite basis.

(o) The construction, installation, maintenance, repair, and renovation of telecommunications equipment and related systems by a person, firm, or corporation primarily engaged in the telecommunications and related information systems industry. This exemption does not include the construction, installation, maintenance, repair, and renovation of a fire alarm system.

This act is ordered to take immediate effect.

Clerk of the House of Representatives.

Secretary of the Senate.
