ENROLLED HOUSE BILL No. 5623

AN ACT to amend 1994 PA 451, entitled "An act to protect the environment and natural resources of the state; to codify, revise, consolidate, and classify laws relating to the environment and natural resources of the state; to regulate the discharge of certain substances into the environment; to regulate the use of certain lands, waters, and other natural resources of the state; to prescribe the powers and duties of certain state and local agencies and officials; to provide for certain charges, fees, and assessments; to provide certain appropriations; to prescribe penalties and provide remedies; to repeal certain parts of this act on a specific date; and to repeal certain acts and parts of acts," by amending section 4307 (MCL 324.4307).

The People of the State of Michigan enact:

Sec. 4307. (1) In accordance with and to the extent authorized by law, when the department, the department of public health, or a court of competent jurisdiction in this state has ordered, or when the department has issued a permit for, the installation, construction, alteration, improvement, or operation of a sewage system, solid waste facility, or waterworks system in a local unit of government, and the plans for the facility or system have been prepared and approved by the state department or commission having the authority by law to grant the approval, the legislative body or the respective legislative bodies of the local unit or units of government may issue and sell the necessary bonds for the construction, installation, alteration, operation, or improvement, including the treatment works, and other facilities as may be ordered or set forth in the permit as being necessary to provide for the effective operation of the system. This provision shall be construed to allow a local unit of government the option of selling bonds under a department order or permit, or of taking or permitting the matter to go into court and selling bonds under a court order. The legislative body or the respective legislative bodies shall determine the denomination of the bonds and the date, time, and manner of payment. The amount of the bonds either issued or outstanding shall not be included in the amount of bonds that the local unit or units of government are authorized to issue under any statutes of this state or charters. Local units of government issuing bonds under this section may raise a sum annually by taxation as the legislative body or respective legislative bodies consider necessary to pay interest on the bonds, and to pay the principal as it falls due. The annual amount may be in excess of the authorized annual tax rate fixed by statute or charter.

(2) Except as otherwise provided in this part, all bonds issued under this section are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821. Court ordered bonds do not require approval of the electors and are not subject to section 5(g) of the home rule city act, 1909 PA 279, MCL 117.5, as to publication of notice, petition, and referendum. Bonds other than court ordered bonds issued under this part require approval of the electors at a general or special election only if an appropriate petition is filed as provided by law.

This act is ordered to take immediate effect.
