The People of the State of Michigan enact:

Sec. 14. (1) An authority may provide by resolution for the issuance of revenue bonds of the authority for the purpose of providing funds for paying the cost of port facilities, or for paying the cost of an extension, enlargement, or improvement of a project then under the control of the authority. The bonds issued under this section shall mature at a time or times, not exceeding 40 years after their date of issuance, as the authority may provide.

(2) Revenue bonds issued under this section are subject to the revenue bond act of 1933, 1933 PA 94, MCL 141.101 to 141.140.

(3) Revenue bonds issued pursuant to this section shall not be considered to constitute a debt of this state, a political subdivision of this state, the authority, or any constituent unit, or a pledge of the faith and credit of this state or a political subdivision of this state or of the authority or any constituent unit, but shall be payable solely from the revenues or income to be derived from the projects. The revenue bonds shall contain on their face a statement to the effect that the bonds and attached coupons are payable solely from revenues and are not a general obligation of this state, a political subdivision of this state, the authority, or a constituent unit, and neither the faith and credit nor the taxing power of this state, a political subdivision of this state, the authority, or a constituent unit, is pledged to the payment of the principal of or the interest on the bonds.

Sec. 18. (1) In addition to the bonds authorized in section 14, bonds may be issued for the purpose of acquiring port facilities, as follows:

(a) By the issuance of bonds in anticipation of payments to become due under contracts by which 1 or more constituent units agree to pay to an authority operating under this act certain sums toward the cost of the acquisition, improvement, enlargement, or extension of a project that may be made under this act. Contracts are not subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

(b) By money advanced by an authority operating under this act under agreements with a constituent unit or other municipality for the repayment of the money.

(c) By money advanced, from time to time, before or during construction of a project, by a public corporation, for which an authority operating under this act shall reimburse the corporation with interest not to exceed 8% per annum or without interest as may be agreed, when funds are available for reimbursement. The obligation of an authority to make the reimbursement may be evidenced by a contract or note, which contract or note may be made payable out of the payments to be made by constituent units under contracts made pursuant to subdivision (b), or out of the proceeds of bonds issued pursuant to this act by the county or out of any other available funds.

(2) Bonds issued under this section shall be authorized by a resolution adopted by the authority. The bonds shall be issued in the name of the authority and shall be executed by the chairperson and secretary-treasurer of the authority, who shall also cause their facsimile signatures to be affixed to the interest coupons to be attached to the bonds. The authority shall adopt a seal that shall be affixed to the bonds. Bonds issued under this section shall be negotiable instruments and shall mature not more than 40 years after the date of issuance. The bonds and coupons shall be made payable in lawful money of the United States and shall be exempt from all taxation whatsoever by this state or by any taxing authority within this state.

(3) Bonds or notes issued under this section are subject to the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821.

This act is ordered to take immediate effect.
