The People of the State of Michigan enact:

Sec. 251. (1) Each new vehicle dealer, used vehicle dealer, and broker shall maintain a record in a manner prescribed by the secretary of state of each vehicle of a type subject to titling under this act that is bought, sold, or exchanged by the dealer or received or accepted by the dealer for sale or exchange.

(2) Each record shall contain the date of the purchase, sale, or exchange or receipt for the purpose of sale or exchange, a description of the vehicle, the name and address of the seller, the purchaser, and the alleged owner or other persons from whom the vehicle was purchased or received, or to whom it was sold or delivered. The record shall contain a copy of any odometer mileage statement received by the dealer when the dealer purchased or acquired a vehicle and a copy of the odometer mileage statement furnished by the dealer when the dealer sold or exchanged the vehicle as prescribed in section 233a. If the vehicle is purchased, sold, leased, or exchanged through a broker, the record shall include the broker's name and dealer license number and the amount of the broker's fee, commission, compensation, or other valuable consideration paid by the purchaser or lessee or paid by the dealer, or both. The records of all vehicles purchased, sold, leased, or exchanged through a broker maintained by the secretary of state shall be in an electronic format determined by the secretary of state. A dealer shall retain for not less than 5 years each odometer mileage statement the dealer receives and each odometer mileage statement furnished by the dealer upon the sale or exchange of a vehicle. The description of the vehicle, in the case of a motor vehicle, shall also include the vehicle identification number and other numbers or identification marks as may be on the vehicle, and shall also include a statement that a number has been obliterated, defaced, or changed, if that is the fact. For a trailer or semitrailer, the record shall include the vehicle identification number and other numbers or identification marks as may be on the trailer or semitrailer.

(3) Not more than 20 days after the delivery of the vehicle, the seller shall deliver to the buyer in person or by mail to the buyer's last known address a duplicate of a written statement, on a form prescribed by the secretary of state in conjunction with the department of treasury, describing clearly the name and address of the seller, the name and address of the buyer, the vehicle sold to the buyer, the cash sale price of the vehicle, the cash paid down by the buyer, the amount credited the buyer for a trade-in, a description of the trade-in, the amount charged for vehicle insurance, stating the types of insurance covered by the insurance policy, the amount charged for a temporary registration plate, the amount of any other charge and specifying its purpose, the net balance due from the buyer, and a summary of insurance coverage to be affected. If the vehicle sold is a new motor home, the written statement shall contain a description, including the year of manufacture, of every major component part of the vehicle that has its own manufacturer's certificate of origin. The written statement shall disclose if the vehicle sold is a vehicle that the seller had loaned or leased to a political subdivision of this state for use as a driver education vehicle. The written statement shall be dated, but not later than the actual date of delivery of the vehicle to the buyer. The original and all copies of the prescribed form shall contain identical information. The statement shall be furnished by the seller, shall be signed by the seller or the seller's agent and by the buyer, and shall be filed with the application for new title or registration. Failure of the seller to deliver this written statement to the buyer does not invalidate the sale between the seller and the buyer.

(4) A retail vehicle sale is void unless both of the following conditions are met:

(a) The sale is evidenced by a written memorandum that contains the agreement of the parties and is signed by the buyer and the seller or the seller's agent.

(b) The agreement contains a place for acknowledgment by the buyer of the receipt of a copy of the agreement or actual delivery of the vehicle is made to the buyer.

(5) Each dealer record and inventory, including the record and inventory of a vehicle scrap metal processor not required to obtain a dealer license, shall be open to inspection by a police officer or an authorized officer or investigator of the secretary of state during reasonable or established business hours.

(6) A dealer licensed as a distressed vehicle transporter shall maintain records in a form as prescribed by the secretary of state. The records shall identify each distressed vehicle that is bought, acquired, and sold by the dealer. The record shall identify the person from whom a distressed vehicle was bought or acquired and the dealer to whom the vehicle was sold. The record shall indicate whether a certificate of title or salvage certificate of title was obtained by the dealer for each vehicle.

(7) A dealer licensed under this act shall maintain records for a period of 5 years. The records shall be made available for inspection by the secretary of state or other law enforcement officials. To determine or enforce compliance with this chapter or other applicable law, the secretary of state or any law enforcement official may inspect a dealer whenever he or she determines it is necessary. The secretary of state may issue an order summarily suspending the license of a dealer pursuant to section 92 of the administrative procedures act of 1969, 1969 PA 306, MCL 24.292, based on an affidavit by a person familiar with the facts set forth in the affidavit that the dealer has failed to maintain the records required by this act or failed to provide the records for inspection as requested by the secretary of state, or has otherwise hindered, obstructed, or prevented the inspection of records authorized under this section. The dealer to whom the order is directed shall comply immediately, but on application to the department shall be afforded a hearing within 30 days pursuant to the administrative procedures act of 1969, 1969 PA 306, MCL 24.201 to 24.328. On the basis of the hearing, the summary order shall be continued, modified, or held in abeyance not later than 30 days after the hearing.

The records shall contain the date of purchase or acquisition of the vehicle, a description of the vehicle including the color, and the name and address of the person from whom the vehicle was acquired. If the vehicle is sold, the record shall contain the date of sale and the name and address of the purchaser. The record shall indicate if the certificate of title or salvage or scrap certificate of title was obtained by the dealer. In the case of a late model vehicle, a record of the purchase or sale of a major component of the vehicle shall be maintained

identifying the part purchased or sold, the name and address of the seller or purchaser, the date of the purchase or sale, and the identification number assigned to the part by the dealer, except that a bumper remanufacturer is not required to maintain a record of the purchase of a bumper. However, a bumper remanufacturer shall assign and attach an identification number to a remanufactured bumper and maintain a record of the sale of the bumper. The record of the purchase or sale of a part shall be maintained in or attached to the dealer's police book or hard copy of computerized data entries and reference codes and shall be accessible at the dealer's location.

If a vehicle is purchased or acquired from a person other than a dealer, the record shall contain the date of acquisition, a description of the vehicle, including the color, the name and address of the person from whom the vehicle was acquired, and whether a certificate of title or salvage or scrap certificate of title was obtained by the dealer.

(11) A dealer licensed as a foreign salvage vehicle dealer shall maintain records in a form prescribed by the secretary of state. The records shall contain the date of purchase or acquisition of each distressed vehicle, a description of the vehicle including the color, and the name and address of the person from whom the vehicle was acquired. If the vehicle is sold, the record shall contain the date of sale and the name and address of the purchaser.
