- Sec. 205. (1) A hiring freeze is imposed on the state classified civil service. State departments and agencies are prohibited from hiring any new full-time state classified civil service employees and prohibited from filling any vacant state classified civil service positions. This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.
- (2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause loss of revenue to the state, result in the inability of the state to receive federal funds, or would necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report quarterly to the chairpersons of the senate and house standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous quarter and the reasons to justify the exception.
- Sec. 206. (1) In addition to the funds appropriated in part 1, there is appropriated an amount not to exceed \$20,000,000.00 for federal contingency funds. The evaluation shall be completed and submitted to the appropriate senate and house of representatives appropriations subcommittees and the senate and house fiscal agencies within 30 months.
- Sec. 208. Unless otherwise specified, the department shall use the Internet to fulfill the reporting requirements of this act. This may include transmission of reports via electronic mail to the recipients identified for each reporting requirement or it may include placement of reports on an Internet or Intranet site.

Each director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services, supplies, or both.
- Sec. 211. (1) Pursuant to the provisions of civil service rules and regulations and applicable collective bargaining agreements, individuals seeking employment with the department shall submit to a controlled substance test. The test shall be administered by the department.
- (2) Individuals seeking employment with the department who refuse to take a controlled substance test or who test positive for the illicit use of a controlled substance on such a test shall be denied employment.
- Sec. 212. The department may charge fees and collect revenues in excess of appropriations in part 1 not to exceed the cost of offender services and programming, employee meals, academic/vocational services, custody escorts, compassionate visits, union steward activities, public work programs, and emergency services provided to units of government. The revenues and fees collected shall be appropriated for all expenses associated with these services and activities.
