

Act No. 726
Public Acts of 2002
Approved by the Governor
December 30, 2002
Filed with the Secretary of State
December 30, 2002
EFFECTIVE DATE: December 30, 2002

**STATE OF MICHIGAN
91ST LEGISLATURE
REGULAR SESSION OF 2002**

Introduced by Rep. Richardville

ENROLLED HOUSE BILL No. 6501

AN ACT to amend 1975 PA 228, entitled "An act to provide for the imposition, levy, computation, collection, assessment and enforcement, by lien or otherwise, of taxes on certain commercial, business, and financial activities; to prescribe the manner and times of making certain reports and paying taxes; to prescribe the powers and duties of public officers and state departments; to permit the inspection of records of taxpayers; to provide for interest and penalties on unpaid taxes; to provide exemptions, credits, and refunds; to provide penalties; to provide for the disposition of funds; to provide for the interrelation of this act with other acts; and to provide an appropriation," by amending section 38g (MCL 208.38g), as added by 2000 PA 143.

The People of the State of Michigan enact:

Sec. 38g. (1) Subject to the criteria under this section, an eligible taxpayer may claim a credit against the tax imposed by this act as determined under subsections (20) to (25); and subject to the criteria under this section, a qualified taxpayer that has a preapproval letter issued after December 31, 1999 and before January 1, 2008, provided that the project is completed not more than 5 years after the preapproval letter for the project is issued, or an assignee under subsection (17) or (18) may claim a credit that has been approved under subsection (2) or (3) against the tax imposed by this act equal to either of the following:

(a) If the total of all credits for a project is \$1,000,000.00 or less, 10% of the cost of the qualified taxpayer's eligible investment paid or accrued by the qualified taxpayer on an eligible property provided that the project does not exceed the amount stated in the preapproval letter. If eligible investment exceeds the amount of eligible investment in the preapproval letter for that project, the total of all credits for the project shall not exceed the total of all credits on the certificate of completion.

(b) If the total of all credits for a project is more than \$1,000,000.00 but \$30,000,000.00 or less and, except as provided in subsection (5)(b), the project is located in a qualified local governmental unit, a percentage as determined by the Michigan economic growth authority not to exceed 10% of the cost of the qualified taxpayer's eligible investment as determined under subsection (8) paid or accrued by the qualified taxpayer on an eligible property. If eligible investment exceeds the amount of eligible investment in the preapproval letter for that project, the total of all credits for the project shall not exceed the total of all credits on the certificate of completion.

(2) If the cost of a project will be for \$10,000,000.00 or less, a qualified taxpayer shall apply to the department for approval of the project under this subsection. An application under this subsection shall state whether the project is a multiphase project. The state treasurer or a designee of the state treasurer is authorized to approve an application or project under this subsection. Only the state treasurer is authorized to deny an application or project under this subsection. A project shall be approved or denied not more than 45 days after receipt of the application. If the state treasurer or the state treasurer's designee does not approve or deny an application within 45 days after the application is received by the department, the application is considered approved as written. The total of all credits for all projects

approved under this subsection shall not exceed \$30,000,000.00 in any calendar year. The criteria in subsection (6) shall be used when approving projects under this subsection. When approving projects under this subsection, priority shall be given to projects on a facility. The total of all credits for an approved project under this subsection shall not exceed \$1,000,000.00. A taxpayer may apply under this subsection instead of subsection (3) for approval of a project that will be for more than \$10,000,000.00 but the total of all credits for that project shall not exceed \$1,000,000.00. If the state treasurer or a designee of the state treasurer approves a project under this subsection, the state treasurer or a designee of the state treasurer shall issue a preapproval letter that states that the taxpayer is a qualified taxpayer; the maximum total eligible investment for the project on which credits may be claimed and the maximum total of all credits for the project when the project is completed and a certificate of completion is issued; and the project number assigned by the department. If a project is denied under this subsection, a taxpayer is not prohibited from subsequently applying under this subsection or subsection (3) for the same project or for another project.

(3) If the cost of a project will be for more than \$10,000,000.00 and, except as provided in subsection (5)(b), the project is located in a qualified local governmental unit, a qualified taxpayer shall apply to the Michigan economic growth authority for approval of the project. The Michigan economic growth authority shall approve or deny the project not more than 65 days after receipt of the application. A project under this subsection shall not be approved without the concurrence of the state treasurer. If the Michigan economic growth authority does not approve or deny the application within 65 days after it receives the application, the Michigan economic growth authority shall send the application to the state treasurer. The state treasurer shall approve or deny the application within 5 days after receipt of the application. If the state treasurer does not deny the application within the 5 days after receipt of the application, the application is considered approved. The Michigan economic growth authority shall approve a limited number of projects under this subsection during each calendar year as provided in subsection (5). The Michigan economic growth authority shall use the criteria in subsection (6) when approving projects under this subsection, when determining the total amount of eligible investment, and when determining the percentage of eligible investment for the project to be used to calculate a credit. The total of all credits for an approved project under this subsection shall not exceed the amount designated in the preapproval letter for that project. If the Michigan economic growth authority approves a project under this subsection, the Michigan economic growth authority shall issue a preapproval letter that states that the taxpayer is a qualified taxpayer; the percentage of eligible investment for the project determined by the Michigan economic growth authority for purposes of subsection (1)(b); the maximum total eligible investment for the project on which credits may be claimed and the maximum total of all credits for the project when the project is completed and a certificate of completion is issued; and the project number assigned by the Michigan economic growth authority. The Michigan economic growth authority shall send a copy of the preapproval letter to the department. If a project is denied under this subsection, a taxpayer is not prohibited from subsequently applying under this subsection or subsection (2) for the same project or for another project.

(4) If the project is on property that is functionally obsolete, the taxpayer shall include, with the application, an affidavit signed by a level 3 or level 4 assessor, that states that it is the assessor's expert opinion that the property is functionally obsolete and the underlying basis for that opinion.

(5) The Michigan economic growth authority may approve not more than 15 projects each calendar year under subsection (3), and the following limitations apply:

(a) Of the 15 projects allowed under this subsection, the total of all credits for each project may be more than \$10,000,000.00 but \$30,000,000.00 or less for up to 3 projects.

(b) Of the 15 projects allowed under this subsection, up to 3 projects may be approved for projects that are not in a qualified local governmental unit if the property is a facility for which eligible activities are identified in a brownfield plan. For purposes of this subdivision, a facility includes a building or complex of buildings that was used by a state or federal agency and that is no longer being used for the purpose for which it was used by the state or federal agency.

(c) Of the 3 projects allowed under subdivision (a), 1 may be a project that also qualifies under subdivision (b).

(6) The Michigan economic growth authority shall review all applications for projects under subsection (3) and, if an application is approved, shall determine the maximum total of all credits for that project. Before approving a project for which the total of all credits will be more than \$10,000,000.00 but \$30,000,000.00 or less only, the Michigan economic growth authority shall determine that the project would not occur in this state without the tax credit offered under subsection (3), except that the Michigan economic growth authority may approve 1 project the construction of which began after January 1, 2000 and before January 1, 2001 without determining that the eligible investment would not occur in this state without the tax credit offered under this section. The Michigan economic growth authority shall consider the following criteria to the extent reasonably applicable to the type of project proposed when approving a project under subsection (3) and the state treasurer or a designee of the state treasurer shall consider the following criteria to the extent reasonably applicable to the type of project proposed when approving a project under subsection (2) or when considering an amendment to a project under subsection (31):

(a) The overall benefit to the public.

(b) The extent of reuse of vacant buildings and redevelopment of blighted property.

(c) Creation of jobs.

(d) Whether the eligible property is in an area of high unemployment.

(e) The level and extent of contamination alleviated by the qualified taxpayer's eligible activities to the extent known to the qualified taxpayer.

(f) The level of private sector contribution.

(g) The cost gap that exists between the site and a similar greenfield site as determined by the Michigan economic growth authority.

(h) If the qualified taxpayer is moving from another location in this state, whether the move will create a brownfield.

(i) Whether the financial statements of the qualified taxpayer indicate that it is financially sound and that the project is economically sound.

(j) Any other criteria that the Michigan economic growth authority or the state treasurer, as applicable, considers appropriate for the determination of eligibility under subsection (2) or (3).

(7) A qualified taxpayer may apply for projects under subsection (2) or (3) for eligible investment on more than 1 eligible property in a tax year. Each project approved and each project for which a certificate of completion is issued under this section shall be for eligible investment on 1 eligible property.

(8) When a project under subsection (2) or (3) is completed, the taxpayer shall submit documentation that the project is completed, an accounting of the cost of the project, the eligible investment of each taxpayer if there is more than 1 taxpayer eligible for a credit for the project, and, if the taxpayer is not the owner or lessee of the eligible property on which the eligible investment was made at the time the project is completed, that the taxpayer was the owner or lessee of that eligible property when all eligible investment of the taxpayer was made. The state treasurer or a designee of the state treasurer, for projects approved under subsection (2), or the Michigan economic growth authority, for projects approved under subsection (3), shall verify that the project is completed. For projects approved under subsection (3), the Michigan economic growth authority shall conduct an on-site inspection as part of the verification process. When the completion of the project is verified, a certificate of completion shall be issued to each qualified taxpayer that has made eligible investment on that eligible property. The certificate of completion shall state the total amount of all credits for the project and that total shall not exceed the maximum total of all credits listed in the preapproval letter for the project under subsection (2) or (3) as applicable and shall state all of the following:

(a) That the taxpayer is a qualified taxpayer.

(b) The total cost of the project and the eligible investment of each qualified taxpayer.

(c) Each qualified taxpayer's credit amount.

(d) The qualified taxpayer's federal employer identification number or the Michigan treasury number assigned to the taxpayer.

(e) The project number.

(f) For a project approved under subsection (3) for which the total of all credits is more than \$10,000,000.00 but \$30,000,000.00 or less, the total of all credits and the schedule on which the annual credit amount shall be claimed by the qualified taxpayer.

(g) For a multiphase project under subsection (33), the amount of each credit assigned and the amount of all credits claimed in each tax year before the year in which the project is completed.

(9) Except as otherwise provided in this section, qualified taxpayers shall claim credits under subsections (2) and (3) in the tax year in which the certificate of completion is issued. For a project approved under subsection (3) for which the total of all credits is more than \$10,000,000.00 but \$30,000,000.00 or less, the qualified taxpayer shall claim 10% of its approved credit each year for 10 years. A credit assigned based on a multiphase project shall be claimed in the year in which the credit is assigned.

(10) The cost of eligible investment for leased machinery, equipment, or fixtures is the cost of that property had the property been purchased minus the lessor's estimate, made at the time the lease is entered into, of the market value the property will have at the end of the lease. A credit for property described in this subsection is allowed only if the cost of that property had the property been purchased and the lessor's estimate of the market value at the end of the lease are provided to the department or the Michigan economic growth authority, as applicable.

(11) For credits under subsections (2) and (3), credits claimed by a lessee of eligible property are subject to the total of all credits limitation under this section.

(12) Each qualified taxpayer and assignee under subsection (17) or (18) that claims a credit under subsection (1)(a) or (b) shall attach a copy of the certificate of completion and, if the credit was assigned, a copy of the assignment form provided for under this section to the annual return filed under this act on which the credit under subsection (2) or (3) is claimed. An assignee of a credit based on a multiphase project shall attach a copy of the assignment form provided for under this section and the component completion certificate provided for in subsection (32) to the annual return filed under this act on which the credit is claimed but is not required to file a copy of a certificate of completion.

(13) Except as otherwise provided in this subsection or subsection (15), (17), (19), or (32), a credit under subsection (2) or (3) shall be claimed in the tax year in which the certificate of completion is issued to the qualified taxpayer. For a project described in subsection (8)(f) for which a schedule for claiming annual credit amounts is designated on the certificate of completion by the Michigan economic growth authority, the annual credit amount shall be claimed in the tax year specified on the certificate of completion.

(14) The credits approved under this section shall be calculated after application of all other credits allowed under this act. The credits under subsections (2) and (3) shall be calculated before the calculation of credits under subsections (20) to (25) and before the credits under sections 37c and 37d.

(15) If the credit allowed under subsection (2) or (3) for the tax year and any unused carryforward of the credit allowed under subsection (2) or (3) exceed the qualified taxpayer's or assignee's tax liability for the tax year, that portion that exceeds the tax liability for the tax year shall not be refunded but may be carried forward to offset tax liability in subsequent tax years for 10 years or until used up, whichever occurs first. Except as otherwise provided in this subsection, the maximum time allowed under the carryforward provisions under this subsection begins with the tax year in which the certificate of completion is issued to the qualified taxpayer. If the qualified taxpayer assigns all or any portion of its credit approved under subsection (2) or (3), the maximum time allowed under the carryforward provisions for an assignee begins to run with the tax year in which the assignment is made and the assignee first claims a credit, which shall be the same tax year. The maximum time allowed under the carryforward provisions for an annual credit amount for a credit allowed under subsection (3) begins to run in the tax year for which the annual credit amount is designated on the certificate of completion issued under this section.

(16) If a project or credit under subsection (2) or (3) is for the addition of personal property, if the cost of that personal property is used to calculate a credit under subsection (2) or (3), and if the personal property is sold or disposed of or transferred from eligible property to any other location, the qualified taxpayer that sold, disposed of, or transferred the personal property shall add the same percentage as determined pursuant to subsection (1) of the federal basis of the personal property used for determining gain or loss as of the date of the sale, disposition, or transfer to the qualified taxpayer's tax liability after application of all credits under this act for the tax year in which the sale, disposition, or transfer occurs. If a qualified taxpayer has an unused carryforward of a credit under subsection (2) or (3), the amount otherwise added under this subsection to the qualified taxpayer's tax liability may instead be used to reduce the qualified taxpayer's carryforward under subsection (15).

(17) For credits under subsections (2) and (3) and except as otherwise provided in this subsection, if a qualified taxpayer pays or accrues eligible investment on or to an eligible property that is leased for a minimum term of 10 years or sold to another taxpayer for use in a business activity, the qualified taxpayer may assign all or a portion of the credit based on that eligible investment to the lessee or purchaser of that eligible property. A credit assignment under this subsection shall only be made to a taxpayer that when the assignment is complete will be a qualified taxpayer. All credit assignments under this subsection are irrevocable and, except for a credit based on a multiphase project, shall be made in the tax year in which the certificate of completion is issued, unless the assignee is an unknown lessee. If a qualified taxpayer wishes to assign all or a portion of its credit to a lessee but the lessee is unknown in the tax year in which the certificate of completion is issued, the qualified taxpayer may delay claiming and assigning the credit until the first tax year in which the lessee is known. A qualified taxpayer may claim a portion of a credit and assign the remaining credit amount. Except as otherwise provided in this subsection, if the qualified taxpayer both claims and assigns portions of the credit, the qualified taxpayer shall claim the portion it claims in the tax year in which the certificate of completion is issued or for a credit assigned and claimed for a multiphase project before a certificate of completion is issued, the taxpayer shall claim the credit in the year in which the credit is assigned. If a qualified taxpayer assigns all or a portion of the credit and the eligible property is leased to more than 1 taxpayer, the qualified taxpayer shall determine the amount of credit assigned to each lessee. A lessee shall not subsequently assign a credit or any portion of a credit assigned under this subsection. A purchaser may subsequently assign a credit or any portion of a credit assigned to the purchaser under this subsection to a lessee of the eligible property. The credit assignment under this subsection shall be made on a form prescribed by the department. The qualified taxpayer shall send a copy of the completed assignment form to the department in the tax year in which the assignment is made. The assignee shall attach a copy of the completed assignment form to its annual return required to be filed under this act, for the tax year in which the assignment is made and the assignee first claims a credit, which shall be the same tax year. In addition to all other procedures under this subsection, the following apply if the total of all credits for a project is more than \$10,000,000.00 but \$30,000,000.00 or less:

(a) The credit shall be assigned based on the schedule contained in the certificate of completion.

(b) If the qualified taxpayer assigns all or a portion of the credit amount, the qualified taxpayer shall assign the annual credit amount for each tax year separately.

(c) More than 1 annual credit amount may be assigned to any 1 assignee and the qualified taxpayer may assign all or a portion of each annual credit amount to any assignee.

(d) The qualified taxpayer shall not assign more than the annual credit amount for each tax year.

(18) If a qualified taxpayer is a partnership, limited liability company, or subchapter S corporation, the qualified taxpayer may assign all or a portion of a credit allowed under subsection (2) or (3) to its partners, members, or shareholders, based on their proportionate share of ownership of the partnership, limited liability company, or subchapter S corporation or based on an alternative method approved by the department. A credit assignment under this subsection is irrevocable and, except for a credit assignment based on a multiphase project, shall be made in the tax year in which a certificate of completion is issued. A qualified taxpayer may claim a portion of a credit and assign the remaining credit amount. If the qualified taxpayer both claims and assigns portions of the credit, the qualified taxpayer shall claim the portion it claims in the tax year in which a certificate of completion is issued. A partner, member, or shareholder that is an assignee shall not subsequently assign a credit or any portion of a credit assigned under this subsection. The credit assignment under this subsection shall be made on a form prescribed by the department. The qualified taxpayer shall send a copy of the completed assignment form to the department in the tax year in which the assignment is made. A partner, member, or shareholder who is an assignee shall attach a copy of the completed assignment form to its annual return required under this act, for the tax year in which the assignment is made and the assignee first claims a credit, which shall be the same tax year. In addition to all other procedures under this subsection, the following apply if the total of all credits for a project is more than \$10,000,000.00 but \$30,000,000.00 or less:

(a) The credit shall be assigned based on the schedule contained in the certificate of completion.

(b) If the qualified taxpayer assigns all or a portion of the credit amount, the qualified taxpayer shall assign the annual credit amount for each tax year separately.

(c) More than 1 annual credit amount may be assigned to any 1 assignee and the qualified taxpayer may assign all or a portion of each annual credit amount to any assignee.

(d) The qualified taxpayer shall not assign more than the annual credit amount for each tax year.

(19) A qualified taxpayer or assignee under subsection (17) or (18) shall not claim a credit under subsection (1)(a) or (b) based on eligible investment on which a credit claimed under section 38d was based.

(20) In addition to the other credits allowed under this section and sections 37c and 37d, for tax years that begin after December 31, 1999 and for a period of time not to exceed 20 years as determined by the Michigan economic growth authority, an eligible taxpayer may credit against the tax imposed by section 31 the amount certified each year by the Michigan economic growth authority that is 1 of the following:

(a) For an eligible business under section 8(5)(a) of the Michigan economic growth authority act, 1995 PA 24, MCL 207.808, an amount that is not more than 50% of 1 or both of the following as determined by the Michigan economic growth authority:

(i) An amount determined under the Michigan economic growth authority act, 1995 PA 24, MCL 207.801 to 207.810, that does not exceed the payroll of the eligible taxpayer attributable to employees who perform retained jobs multiplied by the tax rate for the tax year.

(ii) The tax liability attributable to the eligible taxpayer's business activity multiplied by a fraction the numerator of which is the ratio of the value of new capital investment to all of the taxpayer's property located in this state plus the ratio of the taxpayer's payroll attributable to retained jobs to all of the taxpayer's payroll in this state and the denominator of which is 2.

(b) For an eligible business under section 8(5)(b) of the Michigan economic growth authority act, 1995 PA 24, MCL 207.808, an amount that is not more than 1 or both of the following as determined by the Michigan economic growth authority:

(i) An amount determined under the Michigan economic growth authority act, 1995 PA 24, MCL 207.801 to 207.810, that does not exceed the payroll of the eligible taxpayer attributable to employees who perform retained jobs multiplied by the tax rate for the tax year.

(ii) The tax liability attributable to eligible taxpayer's business multiplied by a fraction the numerator of which is the ratio of the value of capital investment to all of the taxpayer's property located in this state plus the ratio of the taxpayer's payroll attributable to retained jobs to all of the taxpayer's payroll in this state and the denominator of which is 2.

(21) An eligible taxpayer shall not claim a credit under subsection (20) unless the Michigan economic growth authority has issued a certificate under section 9 of the Michigan economic growth authority act, 1995 PA 24, MCL 207.809, to the taxpayer. The eligible taxpayer shall attach the certificate to the return filed under this act on which a credit under subsection (20) is claimed.

(22) An affiliated group as defined in this act, a controlled group of corporations as defined in section 1563 of the internal revenue code and further described in 26 C.F.R. 1.414(b)-1 and 1.414(c)-1 to 1.414(c)-5, or an entity under common control as defined by the internal revenue code shall claim only 1 credit under subsection (20) for each tax year based on each written agreement whether or not a combined or consolidated return is filed.

(23) A credit shall not be claimed by a taxpayer under subsection (20) if the eligible taxpayer's initial certification under section 9 of the Michigan economic growth authority act, 1995 PA 24, MCL 207.809, is issued after December 31, 2003.

(24) If the credit allowed under subsection (20)(a)(ii) or (b)(ii) for the tax year and any unused carryforward of the credit allowed by subsection (20)(a)(ii) or (b)(ii) exceed the taxpayer's tax liability for the tax year, that portion that exceeds the tax liability for the tax year shall not be refunded but may be carried forward to offset tax liability in subsequent tax years for 10 years or until used up, whichever occurs first.

(25) If the credit allowed under subsection (20)(a)(i) or (b)(i) exceeds the tax liability of the eligible taxpayer for the tax year, the excess shall be refunded to the eligible taxpayer.

(26) An eligible taxpayer that claims a credit under subsection (1)(a) or (b) is not prohibited from claiming a credit under subsection (20). However, the eligible taxpayer shall not claim a credit under both subsections (1)(a) or (b) and (20) based on the same costs.

(27) Eligible investment attributable or related to the operation of a professional sports stadium, and eligible investment that is associated or affiliated with the operation of a professional sports stadium, including, but not limited to, the operation of a parking lot or retail store, shall not be used as a basis for a credit under subsection (2) or (3). Professional sports stadium does not include a professional sports stadium that will no longer be used by a professional sports team on and after the date that an application related to that professional sports stadium is filed under subsection (2) or (3).

(28) Eligible investment attributable or related to the operation of a casino, and eligible investment that is associated or affiliated with the operation of a casino, including, but not limited to, the operation of a parking lot, hotel, motel, or retail store, shall not be used as a basis for a credit under subsection (2) or (3). As used in this subsection, "casino" means a casino regulated by this state pursuant to the Michigan gaming control and revenue act, the Initiated Law of 1996, MCL 432.201 to 432.226.

(29) Eligible investment attributable or related to the construction of a new landfill or the expansion of an existing landfill regulated under part 115 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.11501 to 324.11550, shall not be used as a basis for a credit under subsection (2) or (3).

(30) The department annually shall prepare and submit to the house of representatives and senate committees responsible for tax policy and economic development issues a report on the credits under subsection (2). The report shall include, but is not limited to, all of the following:

(a) A listing of the projects under subsection (2) that were approved in the calendar year.

(b) The total amount of eligible investment for projects approved under subsection (2) in the calendar year.

(31) If, after a taxpayer's project has been approved and the taxpayer has received a preapproval letter but before the project is completed, the taxpayer determines that the project cannot be completed as preapproved, the taxpayer may petition the department for projects approved under subsection (2) or the Michigan economic growth authority for projects approved under subsection (3) to amend the project. The total of eligible investment for the project as amended shall not exceed the amount allowed in the preapproval letter for that project.

(32) A project under subsection (2) may be a multiphase project but only if the project is an industrial or manufacturing project. If a project is a multiphase project, when each component of the multiphase project is completed, the taxpayer shall submit documentation that the component is complete, an accounting of the cost of the component, and the eligible investment for the component of each taxpayer eligible for a credit for the project of which the component is a part to the state treasurer or the designee of the state treasurer who shall verify that the component is complete. When the completion of the component is verified, a component completion certificate shall be issued to the qualified taxpayer which shall state that the taxpayer is a qualified taxpayer, the credit amount for the component, the qualified taxpayer's federal employer identification number or the Michigan treasury number assigned to the taxpayer, and the project number. The taxpayer may assign all or part of the credit for a multiphase project as provided in this section after a component completion certificate for a component is issued. The qualified taxpayer may transfer ownership of or lease the completed component and assign a proportionate share of the credit for the entire project to the qualified taxpayer that is the new owner or lessee. A multiphase project shall not be divided into more than 3 components. A component is considered to be completed when a certificate of occupancy has been issued by the local municipality in which the project is located for all of the buildings or facilities that comprise the completed component and a component completion certificate is issued. A credit assigned based on a multiphase project shall be claimed by the assignee in the tax year in which the assignment is made. The total of all credits for a multiphase project shall not exceed the amount stated in the preapproval letter for the project under subsection (1)(a). If all components of a multiphase project are not completed by 10 years after the date on which the preapproval letter for the project was issued, the qualified taxpayer that received the preapproval letter for the project shall pay to the state treasurer, as a penalty, an amount equal to the sum of all credits claimed and assigned for all components of the multiphase project and no credits based on that multiphase project shall be claimed after that date by the qualified taxpayer or any assignee of the qualified taxpayer. The penalty under this subsection is subject to interest on the amount of the credit claimed

or assigned determined individually for each component at the rate in section 23(2) of 1941 PA 122, MCL 205.23 beginning on the date that the credit for that component was claimed or assigned. As used in this subsection, “proportionate share” means the same percentage of the total of all credits for the project that the qualified investment for the completed component is of the total qualified investment stated in the preapproval letter for the entire project.

(33) As used in this section:

(a) “Annual credit amount” means the maximum amount that a qualified taxpayer is eligible to claim each tax year for a project for which the total of all credits is more than \$10,000,000.00 but \$30,000,000.00 or less, which shall be 10% of the qualified taxpayer’s credit amount approved under subsection (3).

(b) “Authority” means a brownfield redevelopment authority created under the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672.

(c) “Authorized business”, “full-time job”, “new capital investment”, “retained jobs”, and “written agreement” mean those terms as defined in the Michigan economic growth authority act, 1995 PA 24, MCL 207.801 to 207.810.

(d) “Blighted”, “brownfield plan”, “eligible activities”, “eligible property”, “facility”, “functionally obsolete”, and “response activity” mean those terms as defined in the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672.

(e) “Eligible investment” means demolition, construction, restoration, alteration, renovation, or improvement of buildings or site improvements on eligible property and the addition of machinery, equipment, and fixtures to eligible property after the date that eligible activities on that eligible property have started pursuant to a brownfield plan under the brownfield redevelopment financing act, 1996 PA 381, MCL 125.2651 to 125.2672, and after the date that the preapproval letter is issued, except that the date that the preapproval letter is issued is not a limitation for 1 project the construction of which began after January 1, 2000 and before January 1, 2001 without the Michigan economic growth authority determining that the project would not occur in this state without the tax credit offered under this section as provided in subsection (7), if the costs of the eligible investment are not otherwise reimbursed to the taxpayer or paid for on behalf of the taxpayer from any source other than the taxpayer. The addition of leased machinery, equipment, or fixtures to eligible property by a lessee of the machinery, equipment, or fixtures is eligible investment if the lease of the machinery, equipment, or fixtures has a minimum term of 10 years or is for the expected useful life of the machinery, equipment, or fixtures, and if the owner of the machinery, equipment, or fixtures is not the qualified taxpayer with regard to that machinery, equipment, or fixtures.

(f) “Eligible taxpayer” means an eligible business that meets the criteria under section 8(5) of the Michigan economic growth authority act, 1995 PA 24, MCL 207.808.

(g) “Michigan economic growth authority” means the Michigan economic growth authority created in the Michigan economic growth authority act, 1995 PA 24, MCL 207.801 to 207.810.

(h) “Multiphase project” means a project for which the total of all credits is \$1,000,000.00 or less for a project approved under subsection (2) that has more than 1 component, each of which can be completed separately.

(i) “Payroll” and “tax rate” mean those terms as defined in section 37c.

(j) “Personal property” means that term as defined in section 8 of the general property tax act, 1893 PA 206, MCL 211.8, except that personal property does not include either of the following:

(i) Personal property described in section 8(h), (i), or (j) of the general property tax act, 1893 PA 206, MCL 211.8.

(ii) Buildings described in section 14(6) of the general property tax act, 1893 PA 206, MCL 211.14.

(k) “Project” means the total of all eligible investment on an eligible property or, for purposes of subsection (5)(b), all eligible investment on property not in a qualified local governmental unit that is a facility.

(l) “Qualified local governmental unit” means that term as defined in the obsolete property rehabilitation act.

(m) “Qualified taxpayer” means a taxpayer that meets both of the following criteria:

(i) Owns or leases eligible property.

(ii) Certifies that, except as otherwise provided in this subparagraph, the department of environmental quality has not sued or issued a unilateral order to the taxpayer pursuant to part 201 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20142, to compel response activity on or to the eligible property, or expended any state funds for response activity on or to the eligible property and demanded reimbursement for those expenditures from the qualified taxpayer. However, if the taxpayer has completed all response activity required by part 201 of the natural resources and environmental protection act, 1994 PA 451, MCL 324.20101 to 324.20142, is in compliance with any deed restriction or administrative or judicial order related to the required response activity, and has reimbursed the state for all costs incurred by the state related to the required response activity, the taxpayer meets the criteria under this subparagraph.

(n) “Tax liability attributable to authorized business activity” means the tax liability imposed by this act after the calculation of credits provided in sections 36, 37, and 39.

This act is ordered to take immediate effect.

Clerk of the House of Representatives.

Secretary of the Senate.

Approved

Governor.
