WASTEWATER PERMIT FEES

Bill/Sponsor **SENATE BILL 252 S-7**, Sen. Liz Brater

House Committee Government Operations

Analysis **Summary**
This bill would establish annual fees for the discharge of wastewater. The fee level would be dependent on the facility's flow classification and whether it is a general or individual permit.

Fiscal Impact
Fees included in this bill would generate approximately \$3.1 million annually, and would support the Department of Environmental Quality NPDES program.
