FY 2002-03 Budgetary Issues:**CAPITAL OUTLAY****1. Natural Resources Trust Fund Acquisition and Development Projects.**

This represents the second round of calendar year 2002 NRTF Board approved development and acquisition projects. Included in this round are 4 acquisition and 23 development projects for state and local agencies.

The **House** concurs with the **Executive** and **Senate**.

2. Western Wayne Correctional Facility, Construct Housing Unit.

This authorizes the construction of a \$4.8 million, 400-bed drop-in housing unit at this prison to house female prisoners. It will be financed by mostly State Building Authority bond monies. This will relieve the over-crowding condition for female prisoners at Camp Brighton.

The **Senate** deleted the project authorization.

The **House** restores this authorization, but at a different facility.

3. Airport Improvement Programs.

The debt service payment on CTF bonds to support airport safety projects is not required for this fiscal year. This \$5 million appropriation is eliminated from the MDOT operational budget and re-appropriated here. It will also generate additional federal and local funds to support improvement projects at various airports statewide.

The **House** concurs with the **Executive** and **Senate**.

DEPARTMENT OF COMMUNITY HEALTH**1. Medicaid Funding Shortfall.**

Provides funds to cover increased Medicaid costs due to caseload and utilization growth.

The **Senate** concurs and also reflects the GF/GP impact.

The **House** concurs with the **Senate**.

2. Funding Shift from GF/GP to Medicaid.

Appropriates Federal Medicaid fiscal relief funds to replace GF/GP monies. Also, related adjustments are made to the CMHSP purchase of state services contracts for state mental health facilities.

The **House** concurs with the **Senate**.

3. Salvation Army Veto Restoration.

Restores federal funds that were eliminated due the veto of language in the DCH operational budget that required the department to contract with the Salvation Army's Harbor Light and Turning Point of West Michigan for substance abuse services.

The **House** concurs with the **Executive** and **Senate**.

FY 2002-03 Budgetary Issues:**2. Investor Settlement Fund.**

A new appropriation line, the Investor Protection Initiative line, would be funded from the new fund source, Securities Settlement Revenue, in the amount of \$3.0 million and through proposed boilerplate be designated as a work project. It is projected that the State of Michigan will receive \$14.3 million in FY 2002-03 from a national agreement settlement related to charges of conflict of interest in investment banking and research analysis activities by Wall Street firms. The \$3.0 million would be used to (1) provide an adult education training program focusing on personal financial management skills, (2) a school-based investor education partnership, and (3) anti-fraud initiatives aimed at protecting vulnerable groups such as senior citizens.

The **Senate** deleted the authorization.
