JUSTICE REVENUE PACKAGE: TECHNICAL CORRECTIONS

Bill/Sponsor **HOUSE BILL 4737 substitute (H-1), Rep. Steven M. Bieda**

House Committee **Judiciary**

Analysis

Summary

Legislation that increased various court fees and fines and revised collection and distribution procedures was enacted in July 2003. Among the many changes was the establishment of a civil filing fee fund that would receive specified portions of motion and filing fees and serve as the conduit for disbursement of revenue to various state funds and entities.

The proposed substitute would amend the Revised Judicature Act to delete several now-obsolete provisions that require court clerks to provide the judges retirement system with filing fee reports, and to correct a statutory reference.

Fiscal Impact

The bill would have no significant fiscal impact on the state or local units of government.
