LOCAL AGENCY FINGERPRINTING FEE

Bill/Sponsor **HOUSE BILL 4818 as introduced, Rep. Scott Hummel**

House Committee Judiciary

Analysis **Summary**
House Bill 4818 would amend Public Act 372 of 1927 to require that a \$15.00 fee to be paid by a concealed weapon license applicant to a local police agency that takes fingerprints from the applicant. Under the current statute, an applicant may request that fingerprints be taken by either the county sheriff or a local police agency. This \$15.00 fee would be in addition to the existing \$105.00 fee for concealed weapon license applications.

Fiscal Impact
No information is available on the number of local agencies that maintain fingerprinting capabilities or the number of applicants that would opt to have fingerprints taken by a local agency, rather than the county sheriff, so the increase in revenue for local agencies under the bill is indeterminate.
