## SNOWMOBILE GRANTS TO COUNTIES

---

**Bill/Sponsor**                      **HOUSE BILL 5027 , As Introduced,** Rep. John R. Pastor

**House Committee**                Great Lakes and Tourism

### **Analysis**

#### **Summary**

This bill would limit the amount of grant funds provided for local snowmobile enforcement efforts to \$1.0 million. Excess funds would be earmarked for trail improvement and development. The amount of trail improvement fund support to be provided to local governments, and nonprofit clubs and associations, would be increased from a floor of 40% to 60%, and the maximum increased from 80% to 90%. The current amount provided for this purpose in the FY 2003-2004 budget act is \$74.5%

#### **Fiscal Impact**

The amount provided for local snowmobile enforcement grants would be reduced, but the amount removed from this grant purpose would be granted for trail development and improvement.

There would be no fiscal impact on State Government. There would be no net fiscal impact on local governmental units.
