MOURNING DOVE HUNTING SEASON

Bill/Sponsor **HOUSE BILL 5029 As Introduced**, Rep. Susan L. Tabor

House Committee Conservation and Outdoor Recreation

Analysis **Summary**
This bill would establish mourning doves as a game species and authorize the Natural Resources Commission to establish a hunting season for mourning doves.

Fiscal Impact
Individuals wishing to hunt mourning doves could purchase license issued by the Department of Natural Resources. The amount of revenue realized through these increased license sales would depend on the number of new, unlicensed hunters wishing to participate in a hunting season for mourning doves. This bill would generate an indeterminate revenue increase to the Game and Fish Protection Fund.

There would be no fiscal impact on local governmental units.
