

Fiscal Analysis

OFF-SITE BARBER SERVICES

Bill/Sponsor **HOUSE BILL 5054 As Introduced**, Rep. Christopher Ward

House Committee Regulatory Reform

Analysis **Summary**

House Bill 5054 would amend the Occupational Code to allow barber services to be rendered outside of a barbershop to any individuals whose personal circumstances make it impractical for that individual to leave his or her residence.

Fiscal Impact

There is very little enforcement of the law. The fiscal impact on state or local government is indeterminate tending towards negligible.
