EPINEPHRINE INHALERS IN SCHOOL

Bill/Sponsor **HOUSE BILL 5087 As introduced, Rep. Marc Shulman**

House Committee Family and Children Services

Analysis **Summary**
Under the Revised School Code, a student of a public or nonpublic school may possess and use a metered dose inhaler or a dry powder inhaler to alleviate or prevent the onset of asthmatic symptoms while in school, on school-sponsored transportation, or at any activity sponsored by or in which the student's school is participating, provided certain conditions are met. The bill would also permit a student to possess and use an epinephrine auto-injector or epinephrine inhaler to treat anaphylaxis.

Fiscal Impact
This bill would have no state or local fiscal impact.
