## VEHICLE VIOLATIONS: "WORK ZONES"

---

**Bill/Sponsor**                      **HOUSE BILL 5173 Substitute (H-1), Rep. Daniel J. Acciavatti**

**House Committee**                Transportation

### **Analysis**

#### **Summary**

The bill would amend the Michigan Vehicle Code's provisions setting forth criminal penalties for moving violations in construction zones and other areas. The bill would amend the provisions consistent with HB 5089, which would redefine construction "work zone," and would apply applicable criminal penalties to moving violations for which not fewer than three points are assigned under HB 5089.

#### **Fiscal Impact**

The bill apparently would have no significant fiscal impact on the state or local units of government.
