CREATION OF MANUFACTURING CZAR

Bill/Sponsor **HOUSE BILL 5306 (as introduced), Rep. Judy K. Emmons**

House Committee Commerce

Analysis **Summary**
House Bill 5306 would create within the Department of Labor and Economic Growth the Office of Manufacturing Czar. The bill details the appointment of the czar, his or her duties, subject to the advice and consent of the Senate.

Fiscal Impact
The fiscal impact of this bill to State and local units of government is indeterminate. The bill contains no appropriated funds to support either the office or the position. It is assumed that there will be salary, fringe and administrative support costs for this office. It is difficult to determine the financial impact on Michigan's economy by having the Office of Manufacturing Czar.
