A SUMMARY OF SENATE BILL 1384 (SUBSTITUTE H-2)

The bill is part of a multi-bill, bi-cameral package of legislation addressing the problem of identity theft.

Senate Bill 1384 would amend the Crime Victim's Right Act to specify that in order to facilitate compliance with federal law, a bona fide victim of identify theft would be entitled to 1) file a police report with a law enforcement agency in a jurisdiction where the alleged violation of identity theft could be prosecuted as provided by Section 10c of the Code of Criminal Procedure (which would be added by Senate Bill 793), and 2) obtain a copy of that report from the law enforcement agency.

"Identity theft" would mean the term as defined in the Identity Theft Protection Act, which would be created by Senate Bill 792.

The bill is tie-barred to House Bill 6173, which contains similar provisions.
