A SUMMARY OF HOUSE BILL 4453 AS INTRODUCED 3-25-03

The bill would amend the Public School Employees Retirement Act to require the retirement board to grant one year of service credit to a member who had been employed and remunerated for services performed for not less than 1,020 hours in a school fiscal year. Currently, the act requires granting of the service credit for services performed for not less than six hours per day and for not less than 170 days in a school fiscal year.
