A SUMMARY OF HOUSE BILL 5873 AS INTRODUCED 5-12-04

House Bill 5873 would amend the Michigan Vehicle Code to require the secretary of state to put a heart insignia on the front of driver license when a driver has indicated the intent to be an organ or tissue donor.

This would be an addition to the current signature requirement for organ and tissue donors.

MCL 257.310

FISCAL IMPACT:

The amount of cost to the state is indeterminate at this time. The Department of State would incur costs for programming as well as costs for ongoing administrative expenses.
