Senate Bill 601 (as introduced 6-26-03)  
Sponsor: Senator Michael Switalski  
Committee: Local, Urban and State Affairs

Date Completed: 7-2-03

### **CONTENT**

The bill would amend the Home Rule City Act to allow a home rule city to adopt in an ordinance an international code or a property maintenance code by reference to the code, without publishing it in full.

Under the Act, a city may adopt a law, code, or rule pertaining to fire, fire prevention, or fire waste, or a code listed in the Act, that has been promulgated or adopted by the State or a State department, board, or agency, or by an organization or association that is organized and conducted for the purpose of developing a code, by reference to the law, code, or rule in an adopting ordinance and without publishing the law, code, or rule in full. The law, code, or rule must be clearly identified in the ordinance, and its purpose must be published with the ordinance. Specifically, the following may be adopted by reference: a fire prevention code, plumbing code, heating code, electrical code, building code, refrigeration machinery code, piping code, boiler code, boiler operation code, elevator machinery code, or a code pertaining to flammable liquids and gases or hazardous chemicals.
