House Bill 4753 (Substitute S-1 as reported) Sponsor: Representative Scott Shackleton

House Committee: Transportation Senate Committee: Transportation

## CONTENT

The bill would amend the Michigan Vehicle Code to lower the minimum age of a school crossing guard from 18 to 17.

Currently, a school crossing quard must be at least 18 years old and authorized to supervise children using a school crossing as provided in Section 613c of the Code. That section requires a person to have a minimum of four hours of instruction before performing the duties of a school crossing guard and two hours of additional instruction before the beginning of each school year. The courses must be approved by the Department of Education and the Department of State Police and conducted by the local law enforcement agency with immediate jurisdiction of the crossing or its designee. Under the bill, a person who was at least 17 could be a school crossing guard as long as he or she fulfilled the training requirements.
