Senate Committee: Judiciary

Date Completed: 1-20-04

### **CONTENT**

The bill would amend the Code of Criminal Procedure to include in the sentencing guidelines receiving or concealing a stolen motor vehicle. A violation would be a Class E property felony, with a statutory maximum sentence of five years' imprisonment. (That offense was enacted by Public Act 720 of 2002.)

The bill also would revise the description and statutory citation for a telecommunication violation, which is a Class F property felony, with a statutory maximum sentence of four years' imprisonment. (The section of the Michigan Penal Code pertaining to the violation was amended by Public Act 672 of 2002.) The bill would refer to a telecommunication violation, rather than manufacturing and delivering a counterfeit communications device.
