

**SUBSTITUTE FOR  
SENATE BILL NO. 1181**

A bill to amend 1994 PA 451, entitled  
"Natural resources and environmental protection act,"  
by amending section 32607 (MCL 324.32607), as added by 2000 PA  
278.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1           Sec. 32607. (1) The department shall not authorize the same  
2 bottomland log removal area in more than 1 submerged log removal  
3 permit at any 1 time.

4           (2) The department may modify the boundaries of a proposed  
5 bottomland log removal area in a submerged log removal permit to  
6 avoid overlaps with other active submerged log removal permits or  
7 adverse impacts, including, but not limited to, impacts to the  
8 environment, natural resources, riparian rights, and the public  
9 trust.

10          (3) A submerged log removal plan approved by the department

1 shall be included in each submerged log removal permit.

2 (4) A submerged log removal permit shall contain terms and  
3 conditions that are determined by the department to protect the  
4 environment, natural resources, riparian rights, and the public  
5 trust.

6 (5) ~~The term of each~~ **Each** submerged log removal permit  
7 shall ~~not be more than 5 years~~ **expire on January 1, 2013.** ~~The~~  
8 ~~department shall not issue any permit under this part that will~~  
9 ~~be effective beyond December 31, 2006.~~ **An applicant shall notify**  
10 **the department of the date on which the federal government issued**  
11 **its approval for the submerged log removal permit.** Processing  
12 fees received under this subsection shall be forwarded to the  
13 state treasurer for deposit into the fund.

14 (6) A submerged log removal permit issued under this section  
15 is not transferrable unless approved in writing by the  
16 department.

17 (7) An applicant for a submerged log removal permit shall  
18 provide a performance bond acceptable to the department in the  
19 amount of \$100,000.00. The performance bond shall be provided to  
20 the department at least 10 days prior to beginning submerged log  
21 removal in a bottomland log removal area. The performance bond  
22 shall ensure compliance with the submerged log removal permit for  
23 the period of the permit or until the authorized submerged log  
24 removal is completed to the satisfaction of the department and  
25 all payments under section 32609 have been made. The department  
26 shall issue a written statement releasing the permittee and  
27 bonding company upon termination of the submerged log removal

1 permit and upon satisfaction of the department as to the  
2 compliance of the permittee with the terms and conditions of the  
3 permit. The department may draw upon the performance bond for  
4 delinquent payments as required in section 32609.

5 (8) A permittee may request, in writing, and the department  
6 may grant, termination of a submerged log removal permit prior to  
7 the expiration date, including release from quarterly reports and  
8 performance bond requirements.
