9 membership count day, the pupil was counted in membership in the
10 district from which he or she transfers.

1 (c) The pupil was a resident of the educating district on the
2 pupil membership count day or met other eligibility criteria
3 under section 6(4) or (6) to be counted in membership in the

5 educating district on the pupil membership count day.

6 ~~(d) The total number of pupils enrolled in the district who~~
7 ~~are described in subdivisions (a), (b), and (c) and who transfer~~
8 ~~from 1 of the 3 other districts specified by the educating~~

15 district shall report the enrollment information to the
16 department and to the district in which the pupil is counted in
17 membership, and the district in which the pupil is counted in
18 membership shall pay to the educating district an amount equal to
19 the amount of the foundation allowance or per pupil payment as
20 calculated under section 20 for the district in which the pupil
21 is counted in membership, prorated according to the number of

12 educating district under this section, regardless of whether that
13 district is otherwise eligible for payment from the educating
14 district under this section, the district may calculate and
15 subtract from the amount owed, using the calculation described in
16 subsection (1), any amount applicable to pupils who transfer to
17 that district from the educating district and meet the
18 requirements of subsection (1)(a) to (c).

19 (4) As used in this section, "educating district" means the
20 district in which a pupil enrolls after the pupil membership
21 count day as described in subsection (1).
