4 Following the March board of review, the assessor shall tabulate
5 the total number of items and the valuations as approved by the
6 board of review for each classification and for the totals of
7 real and personal property in the local tax collecting unit. The

3 (d) Residential personal property includes a home, cottage,

24 owner of the improvement is not the owner of the land or fee, the
25 value of the land is not assessed to the owner of the building,
26 and the improvement has been assessed as personal property
27 pursuant to section 14(6). For taxes levied after December 31,

5 December 31, 2001, buildings exempt under section 9f shall be
6 assessed as personal property.

7 (5) If the total usage of a parcel includes more than 1
8 classification, the assessor shall determine the classification
9 that most significantly influences the total valuation of the
10 parcel.

11 (6) An owner of any assessable property who disputes the
12 classification of that parcel shall notify the assessor and may
13 protest the assigned classification to the March board of
14 review. An owner or assessor may appeal the decision of the
15 March board of review by filing a petition with the state tax
16 commission not later than June 30 in that tax year. The state
17 tax commission shall arbitrate the petition based on the written
18 petition and the written recommendations of the assessor and the
19 state tax commission staff. An appeal may not be taken from the

21 complaint petitions and the state tax commission's determination
22 is final and binding for the year of the petition.

23 (7) The department of treasury may appeal the classification
24 of any assessable property to the residential and small claims
25 division of the Michigan tax tribunal not later than December 31
26 in the tax year for which the classification is appealed.

1 assessment of property at other than the uniform percentage of
2 true cash value prescribed by this act.
