January 20, 2004, Introduced by Reps. Milosch, LaJoy and Taub and referred to the Committee on Transportation.

A bill to amend 1949 PA 300, entitled  
"Michigan vehicle code,"  
(MCL 257.1 to 257.923) by adding section 811o.

**THE PEOPLE OF THE STATE OF MICHIGAN ENACT:**

1       Sec. 811o. (1) Upon application and subject to subsection  
2 (3), the secretary of state shall develop and may issue a  
3 registration plate with an appropriate decal representing the  
4 rotary international to an applicant for use on the passenger  
5 motor vehicle, pickup truck, van, or motor home for which the  
6 plate is issued. The decal shall contain the rotary  
7 international logo and the words "100 years".

8       (2) An application for a registration plate with the rotary  
9 international decal shall be submitted to the secretary of state  
10 pursuant to the procedures prescribed in section 217. In  
11 addition to the regular registration tax imposed by section 801,

1 each application shall be accompanied with payment of \$3.00 for  
2 the first month and \$2.00 per month for each additional month of  
3 the registration period of the plate. Registration plates with  
4 the rotary international decal shall expire on the applicant's  
5 birthday pursuant to section 226.

6 (3) The rotary international may submit to the secretary of  
7 state a design of a separate decal to be affixed to a  
8 registration plate to implement this section. The secretary of  
9 state shall confer with the department of state police to ensure  
10 the design will not compromise the ability of law enforcement  
11 agencies to accurately identify specific vehicles. Registration  
12 plates with the rotary international decal shall not be a  
13 duplication of another registration plate.

14 (4) The secretary of state may issue a temporary registration  
15 permit to a person who submits an application and the proper  
16 payments for a registration plate with the rotary international  
17 decal, if the applicant's current vehicle registration will  
18 expire before his or her receipt of a registration plate with the  
19 rotary international decal. The temporary registration shall  
20 expire upon receipt of a registration plate with the rotary  
21 international decal or 60 days after the issuance, whichever  
22 occurs first. The temporary permit shall be issued without a  
23 separate fee.
