4 whichever is less. The application fee may be used by the department  
5 to recover direct and indirect costs as appropriated in part 1.

6 (6) The council shall continue and expand its efforts to  
7 encourage and support nonprofit arts and cultural organizations  
8 transitioning from solely volunteer-based organizations to  
9 professionally directed operations. This includes the provision of  
10 funds and services from the arts organization development, partnership,  
11 arts projects, anchor organization, and regional regranting programs as  
12 well as the rural arts and culture initiative to support professional  
13 development within these organizations. Criteria for support includes

6 department shall notify each legislator electronically regarding the  
7 website location of the list of grant awardees by county receiving a  
8 grant from arts and cultural grant funds appropriated in part 1.

10 Sec. 501. The federal funds appropriated in part 1 for the historic  
11 site preservation grants are for work projects and shall not lapse at  
12 the end of the fiscal year but shall continue to be available for  
13 expenditure until the projects for which the funds were reserved have  
14 been completed or are terminated. The purpose of these work projects  
15 is the identification, designation, and preservation of historic  
16 resources. The method used will be to solicit applications from  
17 eligible recipients, score applications based upon established  
18 criteria, and award the contracts and subgrants. The total cost is  
19 \$1,348,000.00 and the tentative completion date is September 30, 2006.

20 Sec. 502. Funds collected by the department under sections 6, 7, and  
21 7a of 1913 PA 271, MCL 399.6, 399.7, and 399.7a, are appropriated to

24 Sec. 503. For the purpose of administering the museum store as  
25 provided for in section 7a of 1913 PA 271, MCL 399.7a, the department  
26 is exempt from section 261 of the management and budget act, 1984 PA  
27 431, MCL 18.1261.

1       Sec. 504. (1) From the state funds appropriated in part 1, the  
2 department may award discretionary historical grants to preserve  
3 Michigan lighthouses. The department may award up to \$91,500.00 in  
4 grants for this purpose and may use a portion of those funds to assist  
5 in the transfer of lighthouses from federal ownership. A portion of  
6 the funds may also be dedicated to program administration and project  
7 coordination.

8       (2) The department shall allocate grant funds under this section  
9 pursuant to eligibility and scoring requirements established by the  
10 department. The method used will be to solicit applications from  
11 eligible recipients, score applications based on the established  
12 criteria, and award grants through executed contracts.

13       (3) Grants under this section may be awarded for purposes of  
14 stabilization, rehabilitation, or other preservation work on a Michigan  
15 lighthouse, but shall not be awarded for operational purposes. The  
16 department shall not allocate a grant under this section that exceeds  
17 \$40,000.00.

18       Sec. 505. From the funds appropriated in part 1 for historical

26       Sec. 506. Proceeds in excess of costs incurred in the conduct of

1 suitable for the collections of the state historical museum are  
2 appropriated to the department and may be expended upon receipt for  
3 additional material for the collection.

4 **LIBRARY OF MICHIGAN**

5       Sec. 601. In order to receive subregional state aid as appropriated  
6 in part 1 to the library of Michigan, a subregional library's fiscal  
7 agency must agree to maintain local funding support at the same level  
8 in the current fiscal year as in the fiscal agency's preceding fiscal  
9 year. If a reduction in expenditures equally affects all agencies in a  
10 local unit of government that is the subregional library's fiscal  
11 agency, that reduction shall not be interpreted as a reduction in local  
12 support and shall not disqualify a subregional library from receiving  
13 state aid under part 1. If a reduction in income affects a library  
14 cooperative or district library that is a subregional library's fiscal  
15 agency or a reduction in expenditures for the subregional library's  
16 fiscal agency, a reduction in expenditures for the subregional library  
17 shall not be interpreted as a reduction in local support and shall not  
18 disqualify a subregional library from receiving state aid under part 1.

19       Sec. 602. The funds appropriated in part 1 for a subregional  
20 library shall not be released until a budget for that subregional  
21 library has been approved by the department for expenditures for  
22 library services directly serving the blind and persons with  
23 disabilities. Subregional state aid shall be used only for providing  
24 services to the blind and to persons with disabilities.
