A bill to create an identity theft victims database; and to prescribe certain powers and duties of the department of state police.

## THE PEOPLE OF THE STATE OF MICHIGAN ENACT:

1       Sec. 1. (1) The department of state police shall establish  
2 and maintain a database of each individual who has been the  
3 victim of identity theft.

4       (2) Each of the following may access the database described  
5 in subsection (1):

6       (a) A law enforcement agency.

7       (b) A victim of identity theft, or his or her authorized  
8 representative, to establish that he or she is a victim of  
9 identity theft.

10       (3) The department of state police shall establish and  
11 maintain a toll-free number to provide access to the database

1 described in subsection (1) for victims of identity theft.

2 (4) A victim of identity theft shall submit to the department  
3 of state police a copy of any police report, a full set of  
4 fingerprints, and any other relevant information required by the  
5 department of state police for inclusion in the database  
6 described in subsection (1). The department of state police  
7 shall verify the identity of the victim by examining a driver  
8 license or other identification issued by the secretary of  
9 state.

10 Enacting section 1. This act does not take effect unless  
11 Senate Bill No. 792  
12 of the 92nd Legislature is enacted into law.
