1       Sec. 317. Name, address, and telephone number information  
2 provided to a 9-1-1 system by a service supplier shall be used  
3 only for the purpose of identifying the telephone location or  
4 identity, or both, of a person calling the 9-1-1 emergency  
5 telephone number and shall not be used or disclosed by the 9-1-1  
6 system agencies, their agents, or their employees for any other  
7 purpose, unless ~~such~~ **the** information is used or disclosed **as**  
8 **otherwise required under this act or** pursuant to a court order.  
9 A person who violates this section is guilty of a misdemeanor.

10       Sec. 317a. (1) A 9-1-1 service district may implement an

1 emergency notification system that will allow emergency service  
2 responders to contact service users within a specific geographic  
3 area regarding an imminent danger or emergency that may affect the  
4 user's health, safety, or welfare.

5 (2) A telecommunication provider shall provide each 9-1-1  
6 service district within the provider's service area the telephone  
7 number data, including all listed, unlisted, and unpublished  
8 numbers, for each end-user within the district.

9 (3) The Michigan public service commission shall establish  
10 the rates a telecommunication provider may charge for providing  
11 the data required under subsection (2).

12 (4) The data provided under subsection (2) shall be used only  
13 for the purposes provided under this section.
