**STATE OF MICHIGAN
92ND LEGISLATURE
REGULAR SESSION OF 2003**

Introduced by Rep. Hummel

ENROLLED HOUSE BILL No. 4077

AN ACT to amend 1980 PA 299, entitled "An act to revise, consolidate, and classify the laws of this state regarding the regulation of certain occupations; to create a board for each of those occupations; to establish the powers and duties of certain departments and agencies and the boards of each occupation; to provide for the promulgation of rules; to provide for certain fees; to provide for penalties and civil fines; to establish rights, relationships, and remedies of certain persons under certain circumstances; to repeal certain parts of this act on a specific date; and to repeal certain acts and parts of acts," by amending section 1204 (MCL 339.1204), as amended by 1997 PA 97.

The People of the State of Michigan enact:

Sec. 1204. (1) The department shall issue a license to a person for the operation of a cosmetology establishment if all of the following requirements are met:

(a) An application is submitted by the owners or managers of the establishment.

(b) The application includes a drawing or diagram indicating the premises to be licensed and the location of required equipment and facilities.

(c) The premises has satisfactorily passed an inspection conducted by the department for the purpose of determining whether the establishment has met sanitation and equipment standards prescribed in rules promulgated by the director.

(d) Except as provided in subsection (3), the cosmetology establishment shall be under the daily attendance and supervision of a licensed cosmetologist who is not less than 18 years of age and has had not less than 1 year's practical experience in cosmetology.

(2) A cosmetology establishment shall be completely separated by full partitions and doors from a dwelling or a school of cosmetology.

(3) The department may issue a limited cosmetology establishment license to a person who seeks to perform only 1 or more services of cosmetology on the premises. If the establishment license is limited to only manicuring services or skin care services, the supervising licensee may be an individual licensed only in that service. A licensed cosmetologist working in a limited licensed cosmetology establishment shall not perform cosmetology services for which the premises are not licensed. If the cosmetology establishment license is limited to electrology, the supervising licensee shall be a licensed electrologist. A licensed cosmetologist shall not supervise a cosmetology establishment whose cosmetology license is limited to rendering electrology unless the cosmetologist is licensed as an electrologist.

(4) The department may grant a temporary establishment license to a person who has fulfilled all licensure requirements except for the completion of the inspection.

(5) The transfer of ownership or location of a cosmetology establishment voids the license. The filing of a new license application is a predicate to the change in ownership or location of an establishment.

(6) The license of the establishment and of each individual working in the establishment shall be displayed in a prominent place which is visible to the public at all times. The license of an individual working in the establishment may be posted at the individual's work station.

This act is ordered to take immediate effect.
