This hiring freeze does not apply to internal transfers of classified employees from 1 position to another within a department.

(2) The state budget director shall grant exceptions to this hiring freeze when the state budget director believes that the hiring freeze will result in rendering a state department or agency unable to deliver basic services, cause loss of revenue to the state, result in the inability of the state to receive federal funds, or necessitate additional expenditures that exceed any savings from maintaining a vacancy. The state budget director shall report by the last business day of

each month to the chairpersons of the senate and house of representatives standing committees on appropriations the number of exceptions to the hiring freeze approved during the previous month and the justification for the exception.

The director of each department receiving appropriations in part 1 shall take all reasonable steps to ensure businesses in deprived and depressed communities compete for and perform contracts to provide services or supplies, or both, for the department. The director shall strongly encourage firms with which the department contracts to subcontract with certified businesses in depressed and deprived communities for services or supplies, or both.

Sec. 211. (2) When the department provides contractual services to a local unit of government, the department shall be reimbursed for all costs incurred in providing the services, including, but not limited to, retirement and overtime costs.

Sec. 801. (1) The state director of emergency management may expend money appropriated under this act to call upon any agency or department of the state or any resource of the state to protect life or property or to provide for the health or safety of the population in any area of the state in which the governor proclaims a state of emergency or state of disaster under 1945 PA 302, MCL 10.31 to 10.33, or under the emergency management act, 1976 PA 390, MCL 30.401 to 30.421. The state director of emergency management may expend the amounts the director considers necessary to accomplish these purposes. The director shall submit to the state budget director as soon as possible a complete report of all actions taken under the authority of this section. The report shall contain, as a separate item, a statement of all money expended that is not reimbursable from federal money. The state budget director shall review the expenditures and submit recommendations to the legislature in regard to any possible need for a supplemental appropriation.

(2) In addition to the money appropriated in this act, the department may receive and expend money from local, private, federal, or state sources for the purpose of providing emergency management training to local or private interests and for the purpose of supporting emergency preparedness, response, recovery, and mitigation activity. If additional expenditure authorization in the Michigan administrative information network is approved by the state budget office under this section, the department and the state budget office shall notify the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 10 days after the approval. The notification shall include the amount and source of the additional authorization, the date of its approval, and the projected use of funds to be expended under the authorization.

Sec. 802. The department shall not make any purchases related to a statewide emergency management computer network unless authorized to do so by the director of the department of information technology.

UNIFORM SERVICES

Sec. 901. State police enlisted personnel who are employed to enforce traffic laws as provided in section 629e of the Michigan vehicle code, 1949 PA 300, MCL 257.629e, shall not be prohibited from responding to crimes in progress or other emergency situations, and are responsible for protecting every citizen of this state from harm.

SPECIAL OPERATIONS

Sec. 1001. In addition to the appropriations in section 112 to the department of state police for the aviation program, the department is authorized to sell its aircraft and the proceeds from the sale are appropriated and may be applied to the renovation cost of replacement aircraft. If additional expenditure authorization in the Michigan administrative information network is approved by the state budget office under this section, the department and the state budget office shall notify the house and senate appropriations subcommittees on state police and military and veterans affairs and the house and senate fiscal agencies within 10 days after the approval. The notification shall include the amount and source of the additional authorization, the date of its approval, and the projected use of funds to be expended under the authorization.

Sec. 1002. Money privately donated to the department's canine unit is appropriated under section 112 to purchase equipment and other items to enhance the operation of the canine unit. It is the intent of the legislature that money from private donations for the canine unit not supplant general fund appropriations.

CRIMINAL INVESTIGATIONS

Sec. 1101. (1) There is sufficient money appropriated in section 113 to criminal investigations to ensure that the citizens in a service area of any state police post in the vicinity of a state prison do not experience a downgrading of state police services in their area. Criminal investigations shall be available by temporary or permanent assignment of a detective when either a temporary or permanent prison facility is opened.

(2) If the department is unable to comply with subsection (1) and there is a prison scheduled to open, the department shall provide troopers to serve as investigators on an interim basis.

- (c) The estimated number of buses and vehicles not inspected.

(2) If each school bus within a school system receives a 100% successful state inspection on its first inspection in a given year, the department shall award a certificate to that school system.
